*Best Friends* Aug 20 2021 "The characters in *Best Friends*...are...recognizably human in their weaknesses and their destinies. It is Berger's genius as an observer and storyteller that we never, for a moment, take our eyes off them."—Jeffrey Frank, *The Washington Post Book World* A moving story about childhood friendships falling under the strain of adulthood quickly becomes so much more in this tale that is as absurd as it is true to life from the author of *Little Big Man*. Roy Courtright and Sam Grendy have been best friends for as long as either of them care to remember. As far as they're concerned, they're brothers, but sans the mess of a sibling rivalry. That they're complete opposites has never mattered. Until now. After Sam suffers a heart attack, Roy and Sam's wife Kristen both find themselves wishing they had said more—to Sam, and to each other. Just as Roy begins to grapple with these new feelings

for Kristen, things go from bad to worse. The woman Roy's been meaning to break up with has been murdered. What starts off as the charming tale of an oddball friendship quickly becomes a feast of shocking twists, heartbreak, and vengeance that only Thomas Berger could weave. Additional Praise for Best Friends: "Berger's...style [is] at once elegant and casual, with his usual mix of sweetness and cynicism."—Los Angeles Times "[Berger's] precise and exquisite dialogue [are] entertaining, even when the plot is ridiculous. And his deeply ironic view of the world we live in is refreshing, especially these days when irony is in short supply."—Milwaukee Journal Sentinel "Incorrigibly subversive."—The Hollywood Reporter "[Best Friends] is, in fact, a compact accomplished novel of ideas. That Berger's take on adultery, loyalty, friendship and myriad other intangibles is both deeply satirical and deeply felt is perhaps the book's real wonder."—LA Weekly "No other writer can build a symphony of seriocomic confusion with such a sure touch. Berger's terrific plot takes several unforeseen and unsettling turns en route to its savage denouement. And it's capped by an absolute killer of a final sentence. Nobody writes them like Thomas Berger. Not to be missed."—Kirkus Reviews

### **Aston Martin DB2, DB2/4 & DB3 In Detail**

Oct 02 2022 Before World War II Aston Martin had made some stunning sports cars but had undergone numerous financial crises. The company was bought by David Brown in 1947, and in 1950 he launched the all-new DB2 with a brilliant engine designed by W.O. Bentley. The car was a sleek, beautiful and fast two-seater closed coupe of the highest pedigree and led to the highly successful DB3 and DB3S racers, which were entered by the works at Le Mans, Sebring and elsewhere, driven by star drivers from Stirling Moss to Roy Salvadori. All these Aston Martins are examined and analyzed in detail here, with specially commissioned color photography of seven outstanding examples of this rare, expensive and exotic breed of sporting motor car. Models covered: DB1 1948-50, DB2 1950-53, DB2/4 1953-55, DB2/4 MkII 1955-57, DB2/4 MkIII 1957-59, plus Competition models DB3 1951-53 and DB3S 1953-56

As it turns out, this is only the first volley by a rival power, one that has its eyes set on disrupting the peace of the nation. With the help of two brilliant and stunning women, Stone must leverage a new position of power to capture a villain with a lethal agenda. But the closer he comes to nabbing the culprit, the more he realizes there's a bigger plan at work, and a true mastermind who's a force to be reckoned with . . .

### **Standard Catalog of Imported Cars,**

**1946-1990** Dec 12 2020 This book provides a wealth of detailed information that collectors, investors, and restorers of imported cars will not find in any other book. This massive volume spans the marques of imported vehicles. The list includes such familiar names as Alfa Romeo, Aston Martin, Bentley, Citroen, Jaguar, Lamborghini, Porsche, Rolls-Royce, Saab, and Volkswagen. Also in these pages, you'll find details on such lesser-known yet no less intriguing marques as Abarth, DAF, Frazer Nash, Humber, Iso, Nardi, Panhard, Peerless, Sabra and Skoda. The book also highlights model changes and corporate histories and provides value information on the most popular models of imported cars.

**Designing Motion** Dec 24 2021 The chaise-longue by Le Corbusier, the radio by Rams, the chair by Eames - designers make things into cult objects and become icons themselves. But who

knows which coupé was designed by Frua, which limousine by Engel, which station wagon by Opron? For a long time, car design was considered to be anonymous, the designers stood in the shadow of the perception of the design, even though their designs can be found on the roads in millions. This richly illustrated book captures the origin of a profession and maps the development of car design based on a comprehensive introduction and the career biographies of over 200 selected designers who contributed to the design of cars and many different associated products in the USA, Europe, and Japan between 1900 and 2000.

**Aston Martin DB** Sep 01 2022 The name of David Brown is synonymous with the glory days of Aston Martin, when a tiny British sports car company was rescued from near-extinction and turned into a marque that could compete with Ferrari--and win. Stylish design, lavish illustration and meticulously researched text come together in this large-format, 224-page book to create a superb celebration of the 70th anniversary of DB Aston Martins in 2017.

There's a wealth of detail on the Aston Martin DB road and race cars, both from the David Brown era of 1947-1972 and the modern DB era from 1993 onwards, together high quality images and specification tables for all the key models. Aston Martin DB 70 Years is a fitting celebration of one of the world's most enduring sports cars. The fast, beautiful sports cars that Aston Martin built under Brown's ownership - won the Le Mans 24-hour race and the World Sports Car Championship, and provided James Bond with his most famous transport: the ejector-seat equipped DB5 that won acclaim in Goldfinger. Though the DB era ended when Brown sold the company in 1972, its influence continued to be felt. James Bond's most recent car, the specially-made DB10, and Aston Martin has just launched its most complete car ever, the DB11. 'DB' means as much to Aston Martin now as ever.

**A Race with Infamy** Feb 11 2021 On June 11,

1955, Lance Macklin became a central player in motor racing's worst tragedy. Not only did that day at Le Mans scar him forever, but it went on to become his most lasting legacy. Who, many over the years have asked, was that 'gentleman driver' in the Healey? One thing's for sure: he was no amateur. That day overshadowed the remarkable career of one of British racing's leading lights, of a driver who befriended and mentored champions, who was stunningly quick on the track and charming off it. Featuring a wealth of archival material and new interviews, this book finally tells the fascinating story of one of motorsport's most underrated and misunderstood talents.

**Aston Martin** Feb 23 2022 Aston Martin is now more than a century old - and what a century it has been. Since its birth in London on the eve of the First World War, the company has experienced the highs of racing triumph - most famously in the 1959 Le Mans 24-hour race - and the lows of bankruptcy, yet throughout it all has been in the first rank of British marques. Published in association with the Aston Martin Heritage Trust and written by enthusiast Richard Loveys, Aston Martin is a fully illustrated history of the company that has created some of the the world's best loved and most widely respected cars, including James Bond's iconic DB5. It covers the cars themselves, the personalities and talents who have shaped Aston Martin from owners to engineers, the drivers who have shared with the company in racing glory, and the centenary celebrations of 2013.

**The Jowett Jupiter - The car that leaped to fame** Oct 29 2019 From the Jupiter's inception and development, to its sporting successes, and its current status as a sought-after classic, 'Jowett Jupiter - the Car that Leaped to Fame' is a unique book by Edmund Nankivell, the world authority on the Jupiter, and is a complete study of the model. With its advanced chassis designed by Dr Eberan-Eberhorst, the noted Austrian engineer who was also responsible for designing the Auto Union Type D Grand Prix car, the Jowett Jupiter was an instant hit. Its responsive

handling and lively engine made the Jupiter a great sporting success from the off, with a record-breaking win at the Le Mans 24 Hours in 1950, and a class 1-2 win at the 1951 Monte Carlo International Rally. This book covers the Jupiter's success across the board, revealing the full chronology of the model, its racing derivatives, and the special-bodied Jupiters from the likes of Stabilimenti Farina and Abbott of Farnham. With chapters detailing Jupiters in current use, historic racing, and concours events, this new edition includes more images and updated information, and provides a comprehensive record of this fantastic, historic car. eBook ISBN: 978-1-787118-02-7

**BUTTERFLY WINGS** Sep 20 2021 "Just a word before I sleep. You will be my eternal guiding stars. Let there be no wasted tears or regrets. They would only damage the so-delicate wings of all those wonderful butterflies." with these last written words, Ida tried to ensure we would

continue our family life without her as wife and mother. For her, butterfly wings were the symbol of the almost magic and utterly fragile connections we make among each other as family members and as close friends throughout our lives. Such connections can, she felt, be made, perfected, broken or damaged in so many ways as we navigate perilously throughout our lives. "Les ailes de papillons," she said. They were butterfly wings. She felt those fragile things that we call love and friendship, bonds and trust--shimmering, delicate--hanging by the merest thread.

Sports Car Heaven Nov 03 2022

British Sports Cars of the 1950s and '60s Mar 03 2020 E-type Jaguar; Triumph Spitfire; MGA; Austin-Healey - nobody built sports cars like British manufacturers in the 1950s and '60s. There was something very special about the combination of low-slung open two-seater bodywork and spartan interior, a slick sporting gearchange and a throaty exhaust note. This was wind-in-the-hair motoring, and it was affordable by the average young man - at least, until he got married and had a family. MG and Triumph stood out as the market leaders, but many other companies thrived, from luxury manufacturers like Jaguar and even Daimler to other more affordable marques. This colourfully illustrated history tells the exciting story of the British sports car in the 1950s and '60s.

**The Art of the Classic Sports Car** May 17 2021 The Art of the Classic Sports Car offers a beautifully illustrated review of decades of high-performance cars from around the globe, all shot in the studio. Sports cars are the athletes of the automotive world. Always nimble and quick, often powerful, sports cars fly where other cars lumber, and dash where others plod. The definition of a sports car is somewhat fluid, still, most car fans feel that they know a sports car when they see one, and when asked to name a few will rattle off Jaguar, Corvette, Triumph, MG, Aston Martin, Ferrari, Lotus, Alfa-Romeo, BMW, and many others. Sports cars have offered road and track excitement for nearly 100 years. The original cars evolved for racing, but their appeal and popularity ensured that production versions were soon available for those whose sporting intents never left the boulevard or winding back road. The Art of the Classic Sports Car offers enthusiasts a beautifully illustrated review of several decades of high-performance cars, featuring cars from around the globe all shot in the studio to ensure a handsome book. Each featured car includes a profile discussing the car's place in sports car history along with technical and performance specs as well as a smattering of historical images and period ads.
