Belle Morte Dec 11 2020 There's only one way out. Belle Morte. One of five houses where vampires reside as celebrities and humans are paid to be their living donors. While others came here seeking fortune, I came in search of my sister who walked into Belle Morte five months ago . . . and never walked back out. Now that I'm here, the secrets about this world prove to be much bigger than I ever anticipated. And lurking around every corner are shocking insinuations regarding what happened to my sister. There's only one person who might have the answers I need, and the undeniable pull I feel toward him is terrifying: Edmond Dantès—a vampire, and my mortal enemy. The harder I try to resist him, the further I fall under his spell. And in one instant my life is irrevocably changed. My past becomes prologue and my fate becomes sealed behind these doors. Belle Morte has spoken. And it may never let me go.

Forever Hidden Nov 21 2021 Some things weren't meant to stay hidden... Sydney Davies is used to being in the spotlight. But the former model turned fashion designer isn't used to family secrets. Sydney is sent to dig up the past. What she finds instead is Deacon and a case of a missing girl with a link back to her life in the fashion industry. Deacon McKnight is hardly ever surprised due to his work as an investigator. But then he finds a woman with a shovel in his backyard in the middle of the night. And that is just

the start of surprises. Now Sydney's life is in danger because of his case and Deacon must decide if some things are better left hidden.

A Grimoire Dark Aug 19 2021 An Orphan Girl. A Hellish Spirit. A fight for more than just her life... New Orleans, 1963. When Del Larouche leaves the St. Augustine orphanage, she is desperate to build a normal life for herself and Jimmy, the mentally handicapped boy she spent years protecting. But when a hellish spirit is raised from the dark swamps, unimaginable horrors begin to prey on the lost souls of the Crescent City, and Del's soul is the most coveted. When she learns the truth of her secret heritage, she is faced with a choice: forego the gift she was born with for the normal life she dreams of or embrace her birthright and the dark consequences that follow. A Grimoire Dark is the spine-tingling first book in The Spirit Hunter supernatural thriller series. If you like black magic, strong female protagonists, and urban legends, then you'll love this chilling tale.

Walker Evans Mar 02 2020 "As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.

Steel Roses Oct 21 2021 When the chance to run arrives, Beldon doesn't think twice about escaping into the shadows of an enchanted castle locked in an eternal winter. He just wants to bury a secret. Althusser and Law Feb 22 2022 Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

Never Date Your Ex May 28 2022 She's the one woman I'd give anything to forget--and now I'm stuck living with her. I'm making a fresh start in Lake Tahoe, until my stubborn sister decides to move Mira into our cabin. I'll be damned if I move out on Mira's account. Nothing has changed in the years since I last saw Mira. Her tempting body and smart mouth taunt me daily. The only hope I have at keeping my sanity is the knowledge that Mira is hiding something. Sooner or later I'll discover her secret, and knowing her, it'll be damning. But first, I have to ignore the urge to kiss and touch and make Mira mine again. --EXCERPT-- I grab her waist, guiding her back against the shelves. She kisses my cheekbone, nibbles my earlobe. "We can't do this here." That nibble shoots straight to my groin. "I beg to differ. I think we can manage." Once the walls come down, emotions run hot. For Jack that someone is his shadow. **The Book of Kali** Sep 07 2020 One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images-from bloodthirsty ogress to benign goddess. So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali-from her origin as a tantric goddess to her metamorphosis into a divinity in mainstream religion-that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources-rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films-she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.

Development Through the Lifespan Jul 18 2021 Laura Berk's *Development Through the Lifespan* is relied upon in classrooms worldwide for its clear, engaging writing style, exceptional multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, and long-standing commitment to presenting the most up-to-date scholarship. This new edition continues to offer students research-based practical applications that they can relate to their personal and professional lives. Laura Berk, renowned professor and researcher, has revised the text with new pedagogy, a heightened emphasis on the interplay between heredity and environment, and an enhanced focus on many social policy issues, while emphasizing the lifespan perspective throughout. The latest theories and findings in the field are made accessible to students in a manageable and relevant way. Berk's signature storytelling style invites students to actively learn beside the text's "characters." Students are provided with an especially clear and coherent understanding of the sequence and underlying processes of human development, emphasizing the interrelatedness of all domains-physical, cognitive, emotional, social-throughout the text narrative and in special features. Berk also helps students connect their learning to their personal and professional areas of interest. Her voice comes through when speaking directly about issues students will face in their future pursuits as parents, educators, health care providers, social workers, and researchers. As members of a global and diverse human community, students are called to intelligently approach the responsibility of understanding and responding to the needs and concerns of both young and old. While carefully considering the complexities of human development, Berk presents classic and emerging theories in an especially clear, engaging writing style, with a multitude of research-based, real-world, cross-cultural, and multicultural examples. Strengthening the connections among developmental domains and of theory and research with applications, this edition's extensive revision brings forth the most recent scholarship, representing the changing field of human development.
