SEASONS IN THE SUN Jan 31 2020 Seasons in the Sun is the memoir of a college student/athlete in the mid-1970's. Bill Hauser played quarterback at Ohio's Wittenberg University, one of the top small-college football teams in America, and for one of the most successful coaches in the game. This book takes the reader through the ups and downs of competition and the life-lessons learned from that experience. But it is not all about football. The author's enjoyment of music of the period is woven throughout the book with popular songs of the time serving as chapter titles. If you remember the 1970's — the music, the events of the time and the college experience — you should enjoy this book. If you are a fan of college football, particularly small-college football, you likely will enjoy the intimate look at what the game was like in the 70s. Younger readers might also find the contrast in student life today and back in the 70s interesting and amusing. And the lessons learned and training received on the gridiron are as relevant in the present as they were back then.

Criminal Paradise Oct 22 2021 The literature of larceny welcomes a newcomer with some serious chops, as Steven M. Thomas muscles his way to a place at the table—elbow-to-elbow with Elmore Leonard and Carl Hiaasen—courtesy of a harrowing, hilarious, two-fisted, hard-boiled thriller that's pure heaven for anyone who loves a hell of a crime novel. Robert Rivers is a crook. No excuses, no apologies. Breaking the law is his calling, crime is his rush, capers his reason for getting up in the morning and staying up late at night. But he's a thief with honor, plotting and pulling off carefully choreographed heists where no shots are fired, no blood is spilled, and nobody gets hurt . . . except in the wallet. After a brief stint behind bars back in the day, he's managed to carve out a comfortable existence, cheerfully plundering the sunny Southern California community whose streets he tools in the tweaked-out Cadillac Deville that's his pride and joy. But now Rob (whose name has become ironic) is pushing forty, and—like his trusty partner, Switch, who's got a pregnant girlfriend and a hefty stash of loot—he's thinking about quitting the game. But then he and Switch, pulling their latest Butch and Sundance, score a payday that could end up costing them plenty. Inside a strongbox packed with greenbacks rests a disturbing black-and-white photo of a beautiful young girl, eyes full of fear as naked as she is. It's an image that Rob can't shake, and a wake-up call: There are rules even he won't break. It's also his one-way ticket into the underbelly of the underworld—a lethal landscape of sex slaves, sadistic psychopaths, and sawed-off shotguns, where honor is for fools, and trust is for suckers, where very bad people do even worse things and nice guys don't finish at all. They just get finished off. With its alluring setting, quirky characters, and restrained and subtle prose, Criminal Paradise has something for every thriller fan. And with sharp natural instincts and writing skills as serious as his humor is sly, Steven M. Thomas shows as much promise as

any author on the suspense scene.

Hot Rod Pin-ups Jul 19 2021 David Perry, Foreword by Robt. Williams.

For as long as young men have been channeling, chopping, and hopping up rods and customs, women - whether loyal girlfriends or trouble-seeking "bad girls" - have been an integral to their scene. In this unique portfolio evoking great 1950s pin-up artists like Vargas and Elvgren, talented photographer David Perry depicts models in and out of cherry-picked rods and customs wearing painstakingly chosen period dress and hairstyles. More than 100 photos present these modern-day pin-ups under three themes: Garage, Cruising, and Race. In addition, essays explore each topic and are also accompanied by pulp novel covers, period mags, and ads that place the photography in a historical context. Captions identify the car owners, photo location, and, where appropriate, interesting car specs and histories.
