Last One Alive Jun 03 2020 A team of researchers exploring the myth of a witch find their numbers mysteriously dwindling in this irresistible psychological thriller for fans of Ruth Ware, Shari Lapena, and Lucy Foley. Bestselling debut novelist Penelope Berkowitz is desperate for inspiration for a second book. With the help of her new boyfriend, she embarks on a research trip with a Clue-like team of professionals, ex-lovers, and estranged family members to investigate the myth of a witch on Stone Point, a remote coastal outcropping in the Pacific Northwest. For over a century, the cabin on the point stood vacant after the violent death of the original owner and the disappearance of his wife—until a young couple decided to turn it into an eco-lodge. Shortly after starting renovations, however, they suddenly ceased all contact with others and were never heard from again. Given the area's mysterious history, Penelope is certain there's a story to be found in the isolated region. But soon after arriving on the point's wind-whipped shores, things begin to go awry for the team. Storms blow in. Tempers flare. The satellite phones stop working and no boats are due for days. Then people begin to disappear. When bodies turn up, it's up to Penelope and the remaining members of the team to solve the mystery of the Stone Witch before the killer is the only one left alive.

But with the battle lines sharply drawn, Jacob's life might not be the only one at stake. Academy of the Forgotten Jul 05 2020 Three haunted young men. A terrible curse. One girl who could break it... if this place doesn't break her first. From the first time my parents decided that getting their next hit mattered more than keeping me fed, I learned I couldn't trust anyone--until Cade. My foster brother took me under his wing and sheltered me from the worst of the crap thrown at us. So when he heads off on an exclusive scholarship and everyone around me starts denying he ever existed, Roseborne College has some explaining to do. I'm not leaving until I get answers. The school I barge into isn't what I pictured. The staff claim Cade's never been here. The students glare like just looking at me offends them. The classes involve more torment than teaching, while sobs and howls fill the night. And three very different, unnervingly appealing guys--one of them a teacher--act way too invested in my arrival. Some unnatural power holds this place in its grip. The more I dig, the more horrors I uncover. Finding Cade might not be my biggest problem after all. It's looking like none of us, me included, will escape this place alive.

Kira-Kira Oct 08 2020 kira-kira (kee' ra kee' ra): glittering; shining
Glittering. That's how Katie Takeshima's sister, Lynn, makes everything seem. The sky is kira-kira because its color is deep but see-through at the same time. The sea is kira-kira for the same reason. And so are people's eyes. When Katie and her family move from a Japanese community in Iowa to the Deep South of Georgia, it's Lynn who explains to her why people stop them on the street to stare. And it's Lynn who, with her special way of viewing the world, teaches Katie to look beyond tomorrow. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always something glittering -- kira-kira -- in the future. Luminous in its persistence of love and hope, Kira-Kira is Cynthia Kadohata's stunning debut in middle-grade fiction.

Concrete and Dust Jan 23 2022 Concrete and Dust focuses on the performative nature of sexualized identity in Hollywood, the people that live in its underbelly and surrounding valleys, the sexual geographies of the place, and the ways in which sexual agency is mapped on the body and in consciousness. The cultural turn in ethnography has expanded the scope of ethnographic research methods, which now include innovative techniques that recognize and value sensuous scholarship (ethnographic works that incorporate visual, aural, and sensory texts). Hollywood has often been a focus in critical cultural theory; absent from the field is a holistic methodological perspective that collages visual image, arts-based ethnographic and autoethnographic narratives, experimental sound, poetry, and performative writing, in order to juxtapose the conflicting and complex performative nature of Hollywood, celebrity, glamour, and sexual agency.

Inviting readers to journey deep into the darkest corners of life where struggle

becomes strength and shatters all emptiness until it reaches the light, Amber reflects on her experiences which serve as reminders that growth, transformation, and happiness are possible.

This book is the first of its kind to address and educate a broad audience about the colonial contextual history of Australia, in a highly original way. It pulls apart the myths at the heart of our nationhood, and challenges Australia to come to terms with its own past and its place within and on 'Indigenous Countries'. This title speaks to many First Nations' truths -- stolen lands, sovereignties, time, decolonisation, First Nations perspectives, systemic bias and other constructs that inform our present discussions and ever-expanding understanding. This title is a timely, thought-provoking and accessible read.

Good and Cheap Nov 08 2020 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Lost Girls Oct 27 2019 New York Times Bestseller • Now a Netflix Film
"Rich, tragic...monumental . . . true-crime reporting at its best."—Washington Post The bestselling account of the lives of five young women whose fates converged in the perplexing case of the Long Island Serial Killer. Now updated, with a new epilogue by the author. One late spring evening in 2010, Shannan Gilbert—after running through the oceanfront community of Oak Beach screaming for her life—went missing. No one who had heard of her disappearance thought much about what had happened to the twenty-four-year-old: she was a Craigslist escort who had been fleeing a scene—of what, no one could be sure. The Suffolk County police, too, seemed to have paid little attention—until seven months later, when an unexpected discovery in a bramble alongside a nearby highway

turned up four bodies, all evenly spaced, all wrapped in burlap. But none of them Shannan's. There was Maureen Brainard-Barnes, last seen at Penn Station in Manhattan three years earlier, and Melissa Barthelemy, last seen in the Bronx in 2009. There was Megan Waterman, last seen leaving a hotel in Hauppauge, Long Island, just a month after Shannon's disappearance in 2010, and Amber Lynn Costello, last seen leaving a house in West Babylon a few months later that same year. Like Shannan, all four women were petite, in their twenties, and had come from out of town to work as escorts, and they all had advertised on Craigslist and its competitor, Backpage. *Lost Girls* is a portrait of unsolved murders in an idyllic part of America, of the underside of the Internet, and of the secrets we keep without admitting to ourselves that we keep them. Long considered "one of the best true-crime books of all time" (Time), this edition includes a new epilogue that speaks to developments in the case, including the shocking fate of Mari Gilbert, Shannan's mother, for whom this case became the crusade of a lifetime.

Lost Girls Jan 29 2020 "Rother is the next Ann Rule." —Gregg Olsen
Chelsea King was a popular high school senior, an outstanding achiever determined to make a difference. Fourteen-year-old Amber Dubois loved books and poured her heart into the animals she cared for. Treasured by all who knew them, both girls disappeared in San Diego County, just eight miles and one year apart. The families' anguish galvanized the community and captivated the media. A desperate search led authorities to John Albert Gardner, a brutal predator, convicted sex offender hiding in plain sight—and a complex man whose own mother, a psychiatric nursing professional, failed to see the signs of trouble. Ultimately, Gardner shared a prison unit with Charles Manson. In 2010, Gov. Arnold Schwarzenegger signed Chelsea's Law: anyone convicted of certain sex offenses against a child in California would get life in prison without parole. Based on Pulitzer-nominated author Caitlin Rother's exclusive access, *Lost Girls* is an incisive, heartbreaking true-life thriller that strikes at our deepest fears. "A cautionary tale and a horror story, done superbly." —Los Angeles Times "A terrifying portrait of a man who was sweet and cuddly one day and a crazed killer the next." —San Diego Reader "Gripping . . . chilling . . . a must-read." —Sue Russell "Boldly dissects how a boy with psychological problems formed into a man indifferent to his monstrous acts." —Katherine Ramsland "Caitlin Rother stirs up the lethal stew of family dysfunction, mental illness, substance abuse and deadly psychopathology. . . . Frank and riveting." —Diane Fanning
