Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. For more by Kelly Rimmer, look for *Before I Let You Go* *Truths I Never Told You* *The Warsaw Orphan*

He doesn't believe it is possible to sink any lower when he is assigned to work in a soup kitchen as a form of community service. But unbeknownst to Adam, this is where his life will intersect with Chance. Chance is a mixed breed Pit Bull. He's been born and raised to fight and seldom leaves the dirty basement where he is kept between fights. But Chance is not a victim or a monster. It is Chance's unique spirit that helps him escape and puts him in the path of Adam. What transpires is the story of one man, one dog, and how they save each other—in ways they never could have expected.

**Fly By Night** Jul 08 2020 The award-winning author of *The Lie Tree* “has created a distinctly imaginative world full of engaging characters, robust humor, and true suspense” (School Library Journal, starred review). Everybody knew that books were dangerous. Read the wrong book, it was said, and the words crawled around your brain on black legs and drove you mad, wicked mad. Mosca Mye’s father insisted on teaching her to read—even in a world where books are dangerous, regulated things. Eight years later, Quillam Mye died, leaving behind an orphaned daughter with an inauspicious name and an all-consuming hunger for words. Trapped for years in the care of her cruel uncle and aunt, Mosca leaps at the opportunity for escape, though it comes in the form of sneaky swindler Eponymous Clent. As she travels the land with Clent and her pet goose, Mosca begins to discover complicated truths about the world she inhabits and the power of words. “Intricate plotting, well-developed and fascinating characters, delicious humor, and exquisite wordcraft envelop readers fully into this richly imagined world.” ?The Bulletin of the Center for Children’s Books (starred review) “Hardinge’s stylish way with prose gives her sprawling debut fantasy a literate yet often silly tone that calls to mind Monty Python.” —Publishers Weekly (starred review) “Mosca’s ferocity and authentic inner turmoil [are] both reminiscent of Philip Pullman’s Lyra Belacqua.” ?Booklist “Incredibly well written.” ?The Seattle Times
