[Discipline That Connects With Your Child's Heart](#) Apr 11 2021 A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

[Spanking, a Loving Discipline](#) Sep 16 2021 In this guide for Christian parents seeking biblical advice on how to discipline in a loving manner, Lessin defines the rightful place and correct methods of spanking and helps parents discern between loving instruction and excessive or angry reaction.

[Without Spanking Or Spoiling](#) Aug 27 2022 If you feel trapped between extremes when you're disciplining your children, you'll appreciate the time-tested advice in this classic guide. You don't have to spank your children to get them to behave--and you don't have to worry that you're spoiling them, either. Drawing from four major child guidance philosophies, parent educator Elizabeth Crary provides dozens of examples and exercises to help you

find the best way to rear your children. Without Spanking or Spoling will also help you understand:

The New Dare to Discipline Jan 20 2022 Much-needed answers to your toughest parenting questions! Why are boundaries so important? Do children really want limits set on their behavior? My spouse doesn't seem to care about discipline; why I am I stuck being the "bad guy?" Is it okay to spank my child, or will it lead him to hit others and become a violent person? Join the millions of caring parents who have found answers in the wisdom of parenting authority and family counselor Dr. James Dobson. The New Dare to Discipline is a revised and updated edition of the classic bestseller, designed to help you lead your children through the tough job of growing up. This practical, reassuring guide will teach you how to meet your children's needs of love, trust, affection—and discipline. (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.)

Discipline With Love & Limits Nov 18 2021 You Can Manage Your Child's Behavior Problems with Love & Limits Discipline with Love & Limits provides calm, practical solutions to the 43 most common childhood misbehaviors, like: Whining, Temper Tantrums, Mealtime Meltdown, Too Much Screen Time, Bullying and Biting, Disobeying, Not Sharing, Resisting Bedtime, Getting Out of Bed, Leaving a Mess, Travel Meltdowns, Resisting Carseats, Talking Back, ...and many more! This amazing book has taught over 800,000 parents to more effectively manage the most common preschool behavior problems in a loving yet firm way. It now contains new information about, mindful parenting, teaching empathy and inclusiveness, reducing stress in your child's environment, increasing your child's frustration tolerance and ability to delay gratification, dealing with generational conflicts, and includes brand new sections on: • New brain research findings on the effects of spanking and threats on children • New information on setting up an effective parenting team • New techniques for establishing positive relationships with your children The easy-to-use text has been formatted like a first-aid manual for handling misbehavior. Each section includes: • A description of the "symptoms," the causes, and a general approach to corrective action. • Preventive steps to avoid the problem. • Practical solutions for the misbehavior. • Important information about what to do. • A case history that shows how parents like you successfully handled the problem, using advice from this book. Over 800,000 copies in print

Spanking the Donkey Oct 17 2021 An up-close look at the democratic race for the White House—it isn't pretty Spanking the Donkey is a campaign diary like no other. Celebrated reporter Matt Taibbi turns a withering eye on the kissing contest of puffed-up martinets and egomaniacal fantasists more generally known as the 2004 Democratic primaries. Taibbi's contempt for the whole charade, and for most of those involved (including a generous helping of his fellow journalists), makes for a searing and highly entertaining account. His refusal to take the proceedings seriously leads him to volunteer for Wesley Clark's New Hampshire campaign in the guise of an adult-film director, while his take on a John Edwards press conference in New York City is filtered through the haze of hallucinogenic drugs. Taking up residence in slums and halfway houses as he follows the circus around the country, Taibbi juxtaposes an idiotic dog-and-pony show in which clashes of plainly identical candidates are presented as real controversies, with the quite separate concerns of the ordinary Americans whose lodgings he shares. The gap between the antiseptic exercise in faint patriotic optimism that is mainstream politics and the harsh realities of life for the millions of Americans that the electoral parade simply passes by has never been more sharply, or hilariously, sketched.

Mental Health Practice and the Law Nov 25 2019 Mental health professionals, more than any other clinicians, encounter legal issues on a regular basis. This is a book for anyone in the field, at any stage in their training or practice, who has ever found themselves scratching their head in confusion or dreading that they will expose themselves to liability as they navigate the complexities at the interface of law and mental health. Written by established experts and the rising stars of the next generation, the 16 chapters in this book offer readers a basic understanding of legal principles encountered in clinical practice, as well as practical advice on how to manage situations at the interface of law and clinical practice. Using case examples and clear language, this book helps clinicians understand the underlying principles behind the legal requirements of clinical care. It aims to enhance the reader's knowledge of legal issues and ability to deliver good clinical care when those issues are encountered. This book is unique in that it is, first and foremost, for mental health clinicians in training and those already in practice. While it is not a textbook for lawyers or forensic clinicians, forensic specialists and other professionals who encounter mental health issues in their work, such as law enforcement professionals, will benefit from its practical and clear discussion of legal and mental health issues.

Discipline Without Distress Jun 25 2022 Discipline that you and your child will feel good about! Spanking and time-outs do NOT work. At last, a positive discipline book that is full of practical tips, strategies, skills, and ideas for parents of babies through teenagers, and tells you EXACTLY what to do "in the moment" for every type of behaviour, from whining to web surfing. Includes 50 pages of handy charts of the most common behaviour problems and the tools to handle them respectfully! Parents and children today face very different challenges from

the previous generation. Today's children play not only in the sandbox down the street, but also in the world wide web, which is too big and complex for parents to control and supervise. As young as aged four, your child can contact the world and the world can contact them. A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor. Traditional discipline methods no longer work with today's children and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline! You need new discipline tools!

God Loves Single Moms Aug 23 2019 Written by a psychologist who's successfully navigated single motherhood herself, this book helps single moms believe they and their families deserve the best life has to offer. Packed with practical tips, smart strategies, and ways to improve the well-being of single moms and their children, this book shows single moms how to improve their leadership and parenting skills. It tackles pressing issues such as self-care, a support network, organizing, finances, discipline, and more. Teresa Whitehurst reminds single moms that they don't need to be overwhelmed and that God loves them, is on their side, and wants to guide and support them every step of the way. While they may get weary, they need never feel alone.

Discipline Without Distress Feb 09 2021 Discipline that you and your child will feel good about! At last, a positive discipline book that is chock-full of practical tips, strategies, skills, and ideas for parents of babies through teenagers, and tells you EXACTLY what to do "in the moment" for every type of behavior, from whining to web surfing. Parents and children today face very different challenges from those faced by the previous generation. Today's children play not only in the sandbox down the street, but also in the World Wide Web, which is too big and complex for parents to control and supervise. As young as age four, your children can contact the world, and the world can contact them. A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor. Traditional discipline methods no longer work with today's children, and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline! Spanking and time-outs do not work. You need new discipline tools! Help your child gain: · Strong communication skills for school, career, and relationship success. · Healthy self-esteem, confidence, and greater emotional intelligence. · Assertiveness, empathy, problem-solving, and anger-management skills. · A respectful, loving connection with you! You will gain: · An end to resentment, frustration, anger, tears, and defiance in your parent-child relationship. · Tools to respectfully handle most modern challenging parenting situations, including biting, hitting, tantrums, bedtimes, picky eating, chores, homework, sibling wars, smoking, "attitude," and video/computer games. · Help for controlling your anger "in the moment" during those trying times. · A loving, respectful, teaching and fun connection with your child! "Offers a wealth of ideas and suggestions for raising children without the use of punishment of any kind." Linda Adams, President and CEO of P.E.T. Parent Effectiveness Training and Gordon Training International "The world is in desperate need of gentle, caring discipline techniques. Judy Arnall has created a wonderful, nurturing guide that all parents can benefit from." Elizabeth Pantley, Author of The No-Cry Solution series of books. "Parents always prefer to be loving but often don't know how. Arnall's book debunks all the old beliefs about discipline through painful measures such as punishment, consequences or bribes and provides far more effective and kind ways to raise well behaved and thriving children." Naomi Aldort, Ph.D., Author of Raising Our Children, Raising Ourselves BONUS! 50-page quick reference tool guide included Discipline Without Shouting Or Spanking Sep 28 2022 This title is a part of "Early Intervention Family Resource Collection" housed in Greenburgh Public Library Children's room Parenting section.

Social Issues in America Aug 15 2021 More than 150 key social issues confronting the United States today are covered in this eight-volume set: from abortion and adoption to capital punishment and corporate crime; from obesity and organized crime to sweatshops and xenophobia.

Parenting With Patience Jun 01 2020 This is a quick book to read when you are calm, to use when you are not! Positive discipline has to begin with positive stress management. All families have stress. Make it work for you! Learn how to recognize stress, manage it, and regain your patience before yelling. Learn why children have tantrums at all ages, and how to help them channel anger into lifelong skills for self-control and communication. Learn normal childhood development, capabilities and temperament, so you can respectfully and non-punitively resolve everyday family issues. "Every parent needs patience, and this book has simple, respectful ways to calm down and connect." - Dr. William Sears and Martha Sears, RN, co-authors of The Baby Book and The Discipline Book

True Spanking Stories, Volume VI: True Accounts of Erotic Spanking, BdsM Spanking, Punishment Spanking, Discipline Spanking, Otk Spanking, Kinky Spank Mar 30 2020 Sixth in the groundbreaking series, True Spanking Stories, Volume VI offers 63 more true accounts of spanking pain and pleasure. This is a full-size book (220 pages in paperback). Here are spankings for every taste, curiosity and sexual preference. Some are sizzlingly erotic, often followed by hot sex. Others are ordeals of fearful anticipation, humiliation and pain. Whether written

by the spanker or spankee, the editor chose the most vivid descriptions of spankings...and the thoughts and feelings of spanker and spanked. There's every relationship: husbands spanking wives and vice-versa. Boyfriends and girlfriends. Parent/teen, principal/student, sorority sister/pledge, reformatory official/inmate, senior cheerleaders/new girls, boss/employee, birthday spankings and much more. Every spanking position, method and ritual is here. There's spanking over underwear, panties, thongs and especially on the bare. Every spanking implement shows up- hairbrush, paddle, strap, switch, cane and 15 others. Plus countless hands firmly applied to hot, red, bouncing buttocks. Some writers have been spankos for years. Others have just had their first spanking; their bottoms are still burning and their sexual response fresh as they share their experience with you. Warning: stories may include dominance/submission, erotic humiliation, restraint, exhibitionism, voyeurism, age play, medical play, domestic discipline, other punishments, and sex of all kinds. A sampling of stories: Spanking Cheerleaders- It's Tradition!; Hand Spankings- Erotic and a Bonding Experience; The Joys of our Master-Slave Relationship; Misbehaving Wives Get Spanked Together; Variety of Spankings Electrify Their Marriage; World's Greatest Sexual Turn-On; Spanking in Public Places Gives Them a Thrill; Lesbians Trade Sizzling Spankings and Playing Doctor; Caning His Secretary- and her Parents Approve! Embarrassing Nudity in Spanking There's practical advice: how to give and take your first spanking. Corner time and punishment rituals. Nudity. Combining spanking and sex. Critics call the True Spanking Stories books fascinating...erotically charged...eye-opening...must-haves on a once-taboo topic...for anyone curious or interested in spanking. Editor Sasha Cave has written and edited books on spanking and other erotic topics, including editing True Spanking Stories, Volumes I, II, III, IV and V. Volume I was called a spanking classic and the second most-important spanking book of the 21st Century.

Discipline With Love & Limits Dec 19 2021 You Can Manage Your Child's Behavior Problems with Love & Limits Discipline with Love & Limits provides calm, practical solutions to the 43 most common childhood misbehaviors, like: Whining, Temper Tantrums, Mealtime Meltdown, Too Much Screen Time, Bullying and Biting, Disobeying, Not Sharing, Resisting Bedtime, Getting Out of Bed, Leaving a Mess, Travel Meltdowns, Resisting Carseats, Talking Back, ...and many more! This amazing book has taught over 800,000 parents to more effectively manage the most common preschool behavior problems in a loving yet firm way. It now contains new information about, mindful parenting, teaching empathy and inclusiveness, reducing stress in your child's environment, increasing your child's frustration tolerance and ability to delay gratification, dealing with generational conflicts, and includes brand new sections on: • New brain research findings on the effects of spanking and threats on children • New information on setting up an effective parenting team • New techniques for establishing positive relationships with your children The easy-to-use text has been formatted like a first-aid manual for handling misbehavior. Each section includes: • A description of the "symptoms," the causes, and a general approach to corrective action. • Preventive steps to avoid the problem. • Practical solutions for the misbehavior. • Important information about what to do. • A case history that shows how parents like you successfully handled the problem, using advice from this book. Over 800,000 copies in print

Shepherding a Child's Heart: Parent's Handbook Feb 27 2020 The Shepherding a Child's Heart Parent's Handbook is not just a fill-in-the-blank study guide that rehearses the material in Shepherding a Child's Heart. In the ten years since the publication of Shepherding, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God's Word on the subject, has resulted in a broader and deeper understanding of the content and application of Shepherding a Child's Heart. Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children.

To Spank Or Not to Spank Jan 08 2021 A child rearing expert presents a study of child-directed discipline, offering a common sense approach to the issue of discipline, parental authority, and self-esteem

Discipline Without Shouting Or Spanking Oct 29 2022 Discipline Without Shouting or Spanking offers effective, practical, nonviolent options for correcting the most common behavior problems of preschoolers. You will learn how to deal with misbehavior including temper tantrums, whining, negativity, sibling rivalry, possessiveness, aggressive behavior, resisting bedtime, playing with food, and many more problems -- without shouting or spanking. The authors' advice will help you be a more effective parent and discipline your child in a loving yet firm way, without damaging self-esteem or natural curiosity about the world. This easy-to-use text has been formatted like a first-aid manual for handling misbehavior. It has already helped over 700,000 parents.

Battleground: The Family [2 volumes] Mar 10 2021 Everyone is part of a family, but what constitutes a family is one of the most hotly debated issues in the United States today. Battleground: The Family provides extensive coverage of those critical issues in U. S. culture concerning current and future family life, such as dating, marriage, parenting, work and family, abuse, and divorce. The scholarly contributors to this set provide unbiased

coverage on these often incendiary topics, allowing students to assess the role of these controversies in their own lives. Entries thoroughly introduce the topic of concern, describe the problem as it currently exists, provide context for the controversies surrounding it, synthesize the current knowledge on the topic, and guide the reader to additional areas for consideration. *Battleground: The Family* serves as a starting point for those advanced high school and beginning undergraduate students who wish to pursue a more detailed study of family controversies and cultural concerns for classroom assignments. Non-specialist readers will also find this a useful resource in critically assessing current trends and conflicts in constituent groups' conceptions of family.

[The ADHD Parenting Handbook](#) Apr 30 2020 Practical advice for parents from parents, and proven techniques for raising hyperactive children without losing your temper.

Medical Record Jul 02 2020

The Road to Positive Discipline: A Parent's Guide Oct 25 2019 By using positive methods of discipline parents have the opportunity to provide their children with an optimal home environment for healthy emotional growth and development.

SOS Help for Parents Sep 04 2020 A set of teaching/counseling aids for professionals who offer parent education classes, parent counseling, or guidance to parents on child rearing and discipline.

A Practical Guide to the Evaluation of Child Physical Abuse and Neglect May 12 2021 The impact of child maltreatment on victims, families, and society—from immediate medical care and legal services to long-term mental health care and law enforcement—cannot be understated. And it remains a severe problem in spite of increasing public awareness and stricter laws. To keep up with growing body of professionals staying informed on this subject, the third edition of *A Practical Guide to the Evaluation of Child Physical Abuse and Neglect* assists the reader in recognizing abuse/neglect (exclusive of sexual abuse) in children and youth, and determining its extent. Illustrated with clinical photographs, the Guide details systematic evaluation procedures, explains the tasks of an evaluation team, and expands and updates the knowledge base in these and other major areas: Specific injuries, including burns, bruises, fractures, and head and abdominal injuries Malnourishment and other forms of neglect Medical child abuse (previously known as Munchausen Syndrome by Proxy) Maltreatment of children with special health care needs Domestic partner violence Prevention strategies, psychosocial assessment, collaborations with law enforcement and the courts, and more The new edition of *A Practical Guide to the Evaluation of Child Physical Abuse and Neglect* offers expert information useful to practitioners across professional domains: public health professionals in maternal and child health and school settings; physicians and nurses; clinical social workers, child psychologists, and school psychologists; and attorneys and law enforcement personnel.

The Primordial Violence May 24 2022 A CHOICE Outstanding Academic Title 2014! Why do parents hit those they love? What effect does it have on children? What can be done to end this pattern? These are some of the questions explored in *The Primordial Violence*. Featuring longitudinal data from over 7,000 U.S. families as well as results from a 32 nation study, the book presents the latest research on the extent to which spanking is used in different cultures and the subsequent effects of its use on children and on society. Evidence that shows the relationship between spanking and the subsequent slowing of cognitive development and increase in antisocial and criminal behavior is shown. Both cross-sectional and longitudinal studies are explored in an accessible fashion. An abundance of high quality research has produced findings that are highly consistent from study to study which show that spanking is a risk factor for aggressive behavior and other social and psychological problems. Because of these findings, the authors argue for policy changes and recommend a drastic reduction in the use of spanking. Policy and practical implications are explored in most chapters. *The Primordial Violence* highlights: The benefits of avoiding spanking such as the development of better interpersonal skills and higher academic achievement; The link between spanking and behavioral problems and crime; The extent to which spanking is declining and why despite the unusually high level of agreement between numerous studies which found harmful effects from spanking, most parents continue to spank. Part 1 documents the worldwide use of spanking and why parents spank. The possible adverse effects of spanking on children's behavior and academic achievement, and the potential for violence and criminal behavior in later life, are explored in Parts 2, 3, and 4. Part 5 examines trends in spanking, and suggests what can be done to lower the percent of parents who spank. Contradictory opinions about whether to spank are explored. The book concludes with a call for change in this aspect of parenting which will have profound benefits, for the children and families involved, and society as a whole. Intended for a general audience of readers who are interested in child development and parenting and for advanced undergraduate and/or graduate courses in child abuse, family violence, juvenile delinquency, criminal behavior, social development, sociology of the family, or parenting and family relations taught in psychology, human development, family studies, criminology, education, social work, sociology, and social policy.

Parenting by The Book Dec 27 2019 A syndicated columnist and family psychologist outlines scripture-based principles for parents that recommend respect for others over self-esteem tactics, recommending a leadership approach to disciplinary methods that draws on traditional belief systems. 50,000 first printing.

The Everything Toddler Book Dec 07 2020 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Advanced Practice Nursing in the Community Jun 20 2019 In this new text-reference, Dr. Carl Helvie explores the realm of community health care for advanced practice nurses currently working in community care or requiring an awareness and understanding of its salient issues. Simple in its presentation but rigorous in its coverage of related theories and concepts, Advanced Practice Nursing in the Community reviews community health nursing and advanced practice and then presents the Helvie Energy Theory as a guiding framework for the remainder of the volume. This comprehensive volume comprises thoughtful discussions of the economic, environmental, and sociocultural influences on community health, providing a foundation for subsequent chapters on community assessment, analysis, and diagnosis. It examines community intervention, addressing such topics as multilevel community intervention; diffusion and maintenance of community change; mass media and the political process; coalition building among professional and lay organizations as well as nursing centers and the schools; and rural health care. In addition to numerous assessments and other tools found throughout the book, case studies follow nearly every chapter to illuminate the content. Clinicians early in their community advanced practice will find the extensive assessment example of an actual community in the Rudyville Community Analysis especially interesting. Advanced Practice Nursing in the Community is a remarkably comprehensive and thought-provoking work. It is a must for both the community health specialist and advanced practice nurse seeking a reference for public and community health care.

Uncle Dan's Report Card Sep 23 2019 A Unique Approach to Teaching Children Timeless Values The worth of the child cannot be measured in terms of "Per Cent" alone. The home life of the child is an important part of the whole life. The teacher's judgment will be a much better one if the home will kindly co-operate. Parents are asked to carefully consider and mark "Home Report" as indicated. -M. E. Pearson, Superintendent, Kansas City, Kansas, Public Schools, 1914 With the discovery of their Uncle Dan's school report card from 1914, in which a "Home Report" section of the card was to be completed by parents, Barbara and Robert Unell were inspired to explore the behaviors and values upon which students were "graded" in addition to the standard academic subjects. They realized that these surprising entries, ranging from acts of kindness and truthfulness to personal habits and reading for pleasure, were as timeless and relevant today as they were almost a century ago. Uncle Dan's Report Card gives every parent and caregiver not only a reminder of the worth of these values and behaviors but also a practical means to encourage children to recognize and practice good habits. This book provides the positive, proven tools they can use with toddlers to teens to help them be successful and happy in their everyday lives, personally and academically.

International Record of Medicine and General Practice Clinics Aug 03 2020

Encyclopedia of Contemporary American Social Issues [4 volumes] Nov 06 2020 This single-source reference will help students and general readers alike understand the most critical issues facing American society today. • Four volumes divided by subject area • 225 entries written by experienced researchers and professionals who are experts in their fields • Charts and graphs • Comprehensive bibliographies at the end of each topic volume • Sidebars containing interesting and useful tangents to the main discussion • Further reading section at end of each entry, including Internet links

This easy-to-use text has been formatted like a first-aid manual for handling misbehavior. It has already helped over 700,000 parents.

The Mighty Toddler Jul 22 2019 Taking up where 'Baby Love' (0871319853) leaves off, this is the most

comprehensive guide available for parents of children aged 1 to 3. It covers the five key areas of the toddler world: Growth and Development; Behaviour; Day to Day Care; Why Are They Always Sick?; Just For Parents (keeping your life on track, having another baby). The author's humorous and common-sense advice keeps parents sane and smiling.

Why Spanking Doesn't Work Feb 21 2022 The author clearly presents the issue of spanking in a clear manner, and presents alternative ways of discipline. # Written in an easy-to-read style so families can read and learn together. Statistics show that the most violent institution in America today is not the federal prison system. It is the family! the chances of getting assaulted and injured by someone else in your lifetime are greater in your family by far than in any other group of people you are likely to be around. Why is the family so violent? According to the authors, one of the main reasons is our belief as a society that physical punishment is an acceptable. and it all starts with the belief that spanking is good for our children. In this insightful, well-researched book, Dr. Marshall reveals: # Hitting a child causes more behavioral problems than it solves # Spanking has been found to increase aggression in children # Cases of poor self-image and depression have been traced to childhood corporal punishment # Repetition of one's own childhood experience is a poor substitute for informed parenting Parents who explore this book will be amply rewarded as they learn alternatives to spanking. The Center for Applied Discipline Mar 22 2022 Robin Wright is a Mother and Wife who has a strong belief that our society would be better off if spanking was the normal discipline technique used in the home. Little did she know, the state government also felt this way and contacted her for an experimental project to build and open a center that hands out old fashioned discipline to naughty boys and girls when their parents don't want to do it themselves. Follow Robin on her journey of getting the center up and running and all the challenges that come with it. This is a fictional story of a realistic idea around disciplining children with spankings, so if you are of the same mindset, you will really enjoy this short story.

Kinky Christian Sex: : Theology, Ethics and Practical Advice for Erotic Spanking Jul 14 2021 Have you been attracted to BDSM or spanking and wondered if it was consistent with your he Christian faith or modern values? This book explores the psychology, theology, and history behind erotic spanking and some forms of sexual kink and the Christian faith. So many books on Christian sexuality devolve to a list of approved behaviors, and reinforces shame for any desires outside of those approved behaviors. This leaves the Christian attracted to kink feeling empty and asking why they have these desires that can't seem to pray away. Instead, this book focuses on the Godly purpose of sex and allows the reader to explore non-typical sexual desires as an identity rather than as a shameful behavior. As a former pastor and current psychotherapist, the author cares deeply about issues of faith, shame, and relationships. She writes this book from a deeply personal place, with personal stories and anecdotes alongside scientific research. She herself is a kinky Christian that spent most of her life struggling with secrecy and shame until "coming out" to her husband of many years and beginning her kink exploration. "...insightful, detailed, and easy to read."

Discipline without Shouting or Spanking Jun 13 2021

Spanking Is a Global Phenomenon Jan 28 2020 **Spanking Is a Global Phenomenon** looks at this traditional method of corporal punishment from a deep perspective, placing it in its historical context, and from a wide point of view, comparing changing attitudes across cultures and generations. The result of this survey by Fenold Alexis is a work on a topic broadly connected to people's lives, but rarely examined in such detail. The approach of **Spanking Is a Global Phenomenon** takes the reader through the history and tradition of spanking, the roles of culture and religions, the connections to slavery, the laws governing spanking, and a survey of attitudes and practices by gender and generation. In the end, **Spanking Is a Global Phenomenon** provides a comprehensive look at a widespread and deeply rooted parenting practice that tends not to garner such thorough attention. Fenold Alexis explores spanking's scriptural and historical background, surveys its legal and cultural contexts in contemporary culture, and suggests ways for parents to administer alternative forms of discipline that work.

Parenting the Wholehearted Child Oct 05 2020 "Rarely do I ever find myself agreeing with everything I read in a book. But **Parenting the Wholehearted Child** is the book I wish I'd written. Jeannie has given parents a profound gift within its pages." —Kathie Lee Gifford, actress, singer, playwright, songwriter, and co-host of the Today Show's Fourth Hour Your kids aren't perfect. And you don't have to be either. Are you exhausted from the pressure to be a perfect parent raising perfect children in this imperfect world? Do you ever wonder, "How did these precious children get stuck with a parent like me?" If so, let these grace-drenched pages saturate your heart with God's unfailing love while also equipping you to be a vessel of God's unconditional love to your children. With authenticity, conviction, and a lively sense of humor, Jeannie guides you on a transformative journey into raising wholehearted—not perfect—children, who live from the freedom found in being wholeheartedly loved (and liked!)

by God. Parenting the Wholehearted Child equips you with biblical wisdom and practical ideas to teach your children that they are fully accepted by God, not because of anything they do or don't do but because of everything Jesus has already done for them. Woven throughout the book is the good news that it is God's extravagant grace—not your perfect performance—that transforms the hearts of children.
