*A Hero of France* Jan 08 2021 NEW YORK TIMES BESTSELLER • From the bestselling master espionage writer, hailed by Vince Flynn as “the best in the business,” comes a riveting novel about the French Resistance in Nazi-

occupied Paris. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST 1941. The City of Light is dark and silent at night. But in Paris and in the farmhouses, barns, and churches of the French countryside, small groups of ordinary men and women are determined to take down the occupying forces of Adolf Hitler. Mathieu, a leader of the French Resistance, leads one such cell, helping downed British airmen escape back to England. Alan Furst’s suspenseful, fast-paced thriller captures this dangerous time as no one ever has before.

He brings Paris and occupied France to life, along with courageous citizens who outmaneuver collaborators, informers, blackmailers, and spies, risking everything to fulfill perilous clandestine missions. Aiding Mathieu as part of his covert network are Lisette, a seventeen-year-old student and courier; Max de Lyon, an arms dealer turned nightclub owner; Chantal, a woman of class and confidence; Daniel, a Jewish teacher fueled by revenge; Joëlle, who falls in love with Mathieu; and Annemarie, a willful aristocrat with deep roots in France, and a desire to act. As the German military police heighten surveillance, Mathieu and his team face a new threat, dispatched by the Reich to destroy them all. **Every Man a Hero** Jul 02 2020 The New York Times Bestseller | Winner of the Army Historical Foundation Distinguished Writing Award Omaha Beach legend Ray Lambert's unforgettable firsthand account of D-Day "Lambert landed on [Omaha Beach] as a 23-year-old Army medic. ... As the bullets cut down his comrades, he raced repeatedly back into the sea to drag out wounded soldiers." —New York Times Seventy-five years ago, he hit Omaha Beach with the first wave. Now D-Day legend Ray Lambert (1920-2021) delivers one of the most remarkable memoirs of our time, a tour-de-force of remembrance evoking his role as a decorated

World War II medic who risked his life to save the heroes of Normandy. At five a.m. on June 6, 1944, U.S. Army Staff Sergeant Ray Lambert worked his way through a throng of nervous soldiers to a wind-swept deck on a troopship off the coast of Normandy, France. A familiar voice cut through the wind and rumble of the ship's engines. "Ray!" called his brother, Bill. Ray, head of a medical team for the First Division's famed 16th Infantry Regiment, had already won a silver star in 1943 for running through German lines to rescue trapped men, one of countless rescues he'd made in North Africa and Sicily. "This is going to be the worst yet," Ray told his brother, who served alongside him throughout the war. "If I don't make it," said Bill, "take care of my family." "I will," said Ray. He thought about his wife and son—a boy he had yet to see. "Same for me." The words were barely out of Ray's mouth when a shout came from below. To the landing craft! The brothers parted. Their destinies lay ten miles away, on the bloodiest

shore of Normandy, a plot of Omaha Beach ironically code named "Easy Red." Less than five hours later, after saving dozens of lives and being wounded at least three separate times, Ray would lose consciousness in the shallow water of the beach under heavy fire. He would wake on the deck of a landing ship to find his battered brother clinging to life next to him. Every Man a Hero is the unforgettable story not only of what happened in the incredible and desperate hours on Omaha Beach, but of the bravery and courage that preceded them, throughout the Second World War—from the sands of Africa, through the treacherous mountain passes of Sicily, and beyond to the greatest military victory the world has ever known.

*The Hero Code* Jul 22 2019 AN INSTANT NEW YORK TIMES BESTSELLER! From the acclaimed, #1 New York Times bestselling author of *Make Your Bed*—a short, inspirational book about the qualities of true, everyday heroes. *THE HERO CODE* is Admiral McRaven's ringing tribute to the real, everyday heroes he's met over the years, from battlefields to hospitals to college campuses, who are doing their part to save the world. When Bill McRaven was a young boy growing up in Texas, he dreamed of being a superhero. He longed to put on a cape and use his superpowers to save the earth from

destruction. But as he grew older and traveled the world, he found real heroes everywhere he went -- and none of them had superpowers. None of them wore capes or cowls. But they all possessed qualities that gave them the power to help others, to make a difference, to save the world: courage, both physical and moral; humility; a willingness to sacrifice; and a deep sense of integrity. THE HERO CODE is not a cypher, a puzzle, or a secret message. It is a code of conduct; lessons in virtues that can become the foundations of our character as we build a life worthy of honor and respect.

But how can he trust someone who lies to him with every breath she takes? Cherise Sinclair is my go to author when I want a satisfying read. Heat, emotion, suspense. She's got it all. ~ NYT Bestselling author Lexi Blake [Becoming a Hero](#) Sep 16 2021 A hero is someone who performs an act of outstanding

bravery, valor, strength of character or other quality worthy of note. Someone might be considered a hero based on his or her acts or qualities. Acts are isolated events, which are limited in time and space; qualities are traits of a person's character and last over time. In this book we will be focusing on those qualities, given that the aim of the book is to point readers who want to live like heroes in the right direction and not just to focus on fleeting instances of heroism. This book is different in two ways. Firstly, it is interactive - it will require the reader to behave in response to what he or she reads. Secondly, the book is as deep as you, the reader, want to make it. The author is not a hero, and that is exactly why he decided to write this book - as a way to condense his thoughts in note form and to make them easier to go back through.

*A Hero Like You* Sep 28 2022 *A Hero Like You* looks at everyday heroes and highlights qualities such as loyalty, compassion, resourcefulness,

justice, and courage. The lyrical rhyme and relatable illustrations remind us that we all have the opportunity to be a hero by helping others, doing right and making the world a better place. "What the world needs is a hero like you!"

**The Art of Neighboring** May 24 2022 Once upon a time, people knew their neighbors. They talked to them, had cook-outs with them, and went to church with them. In our time of unprecedented mobility and increasing isolationism, it's hard to make lasting connections with those who live right outside our front door. We have hundreds of "friends" through online social networking, but we often don't even know the full name of the person who lives right next door. This unique and inspiring book asks the question: What is the most loving thing I can do for the people who live on my street or in my apartment building? Through compelling true stories of lives impacted, the authors show readers how to create genuine friendships with the people who live in closest

proximity to them. Discussion questions at the end of each chapter make this book perfect for small groups or individual study.

**What Makes a Hero?** Aug 23 2019 An entertaining investigation into the biology and psychology of why we sacrifice for other people. Researchers are now applying the lens of science to study heroism for the first time. How do biology, upbringing, and outside influences intersect to produce altruistic and heroic behavior? And how can we encourage this behavior in corporations, classrooms, and individuals? Using dozens of fascinating real-life examples, Elizabeth Svoboda explains how our genes compel us to do good for others, how going through suffering is linked to altruism, and how acting heroic can greatly improve your mental health. She also reveals the concrete things we can do to encourage our most heroic selves to step forward. It's a common misconception that heroes are heroic just because they're innately predisposed to be that

way. Svoboda shows why it's not simply a matter of biological hardwiring and how anyone can be a hero if they're committed to developing their heroic potential.

*A Horse and a Hero* Jul 14 2021 Rapunzel is in trouble, and it is up to Flynn Rider and Maximus the horse to save her.

*Show Me A Hero* Nov 18 2021 NOW AN HBO MINISERIES Not in my backyard -- that's the refrain commonly invoked by property owners who oppose unwanted development. Such words assume a special ferocity when the development in question is public housing. Lisa Belkin penetrates the prejudices, myths, and heated emotions stirred by the most recent trend in public housing as she re-creates a landmark case in riveting detail, showing how a proposal to build scattered-site public housing in middle-class neighborhoods nearly destroyed an entire city and forever changed the lives of many of its citizens. -- Public housing projects are being torn down throughout the United States. What will

take their place? Show Me a Hero explores the answer. -- An important and compelling work of narrative nonfiction in the tradition of J. Anthony Lukas's Common Ground. -- A sweeping yet intimate group portrait that assesses the effects of public policy on individual human lives.
