Moisture Control Handbook Nov 11 2020 In the climate-controlled buildings of today, moisture problems affect not only the useable life expectancy of the structure, but the comfort and health of the occupants. This reference is the first to apply up-to-date moisture control and treatment techniques in a problem/solution format. Opening with an introductory explanation of the nature and causes of mold, mildew, and condensation, the book gives specific advice on heated, cooled, and combination environments, plus a short course in the dynamics of moisture movement within buildings. Other invaluable coverage includes: * clear, detailed recommended practices for all United States climates * practices for cooling as well as heating climates (often, heating climate solutions are applied in cooling climates, where problems and solutions are completely different) * an overall, systematic view of moisture problems--including how mechanical systems and occupant lifestyles can create and also solve moisture problems * actual case studies of buildings with moisture problems that illustrate the principles and practices presented in the book This detailed, no-nonsense exploration of moisture cause and effect--as well as its protection and remediation--will expand readers' knowledge on this crucial subject. *Moisture Control Handbook* will be welcomed by building contractors, architects, mechanical engineers, building science researchers, building product manufacturers, homeowners, and small commercial building owners.

Elephants and Me versus PTSD Jul 08 2020 Suzy Conner had always been told that elephants don't forget. Even if you are given shock treatments your memories do come back. Fifty years later, was she losing all hope and faith in God? "No, I cannot lose my faith in you, Lord, You got me this far." "Go for a walk, Suzy." Throwing her camping gear in the trunk of her car, she drove until the car was out of gas to a forest path in Tennessee where she found a deer that guided her way. This is Suzy's story of coming back confronting herself, the past trials, tribulations, and her own faith in God who had fed her Tidbits of info and knowledge over the last fifty years so she would have the wisdom to battle to keep her sanity and not lose it this time like she did when she was a child. The title Elephants and Me is based on truth: I have always wondered does that make me part elephant, because I couldn't forget either.
