The Land Beyond the Sea Oct 09 2020 From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of

Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.

Secrets of a Charmed Life Jul 26 2019 The author of *A Bridge Across the Ocean* and *The Last Year of the War* journeys from the present day to World War II England, as two sisters are separated by the chaos of wartime... Current day, Oxford, England. Young American scholar Kendra Van Zant, eager to pursue her vision of a perfect life, interviews Isabel McFarland just when the elderly woman is ready to give up secrets about the war that she has kept for decades...beginning with who she really is. What Kendra receives from Isabel is both a gift and a burden—one that will test her convictions and her heart. 1940s, England. As Hitler wages an unprecedented war against London's civilian population, hundreds of thousands of children are evacuated to foster homes in the rural countryside. But even as fifteen-year-old Emmy Downtree and her much younger sister Julia find refuge in a charming Cotswold cottage, Emmy's burning ambition to return to the city and apprentice with a fashion designer pits her against Julia's profound need for her sister's presence. Acting at cross purposes just as the Luftwaffe rains down its terrible destruction, the sisters are cruelly separated, and their lives are transformed...

The Things We Cannot Say Oct 28 2019 Now a New York Times bestseller! From the author of *Truths I Never Told You*, *Before I Let You Go*, and the *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that *Before I Let You Go* was one of the best novels I had ever read...If you only have time to read one book this year *The Things We Cannot Say* should be that book. Keep tissues handy."—Fresh Fiction "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. For more by Kelly Rimmer, look for *Before I Let You Go* *Truths I Never Told You* *The Warsaw Orphan*

Foxfire Mar 02 2020 New York Times bestselling author Joyce Carol Oates's strongest and most unsparing novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of *Foxfire*: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the *Foxfire* girls together. *Foxfire* reaffirms Joyce Carol Oates's place at the very summit of American writing.

Borrow Aug 26 2019 In this lively history of consumer debt in America, economic historian Louis Hyman demonstrates that today's problems are not

as new as we think. *Borrow* examines how the rise of consumer borrowing—virtually unknown before the twentieth century—has altered our culture and economy. Starting in the years before the Great Depression, increased access to money raised living standards but also introduced unforeseen risks. As lending grew more and more profitable, it displaced funds available for business borrowing, setting our economy on an unsustainable course. Told through the vivid stories of individuals and institutions affected by these changes, *Borrow* charts the collision of commerce and culture in twentieth-century America, giving an historical perspective on what is new—and what is not—in today's economic turmoil. A Paperback Original

Unconventional Warfare (Special Forces, Book 1) Jun 16 2021 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one.

Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Conspiracy (The Plot to Kill Hitler #1) Jan 30 2020 Based on the real-life scheme to take down one of history's greatest monsters, this heart-pounding trilogy puts two courageous kids at the center of the plot to kill Adolf Hitler. Berlin, November 1943. With bombing raids commencing, the city is blanketed by explosions. Siblings Gerta and Max Hoffmann live a surprisingly carefree childhood amid the raids. Berlin is a city going about its business, even as it's attacked almost nightly. But one night, the air raid sirens wail, and the Hoffmanns' neighborhood is hit. A mortally wounded man comes to their door, begging to be let in. He asks for Karl Hoffmann, their father. Gerta and Max watch as Karl tries in vain to save the man's life. Before he dies, the stranger gives their father a bloodstained packet of documents, along with a message: "For the sake of humanity, the Führer must die. Finish it, Karl!" Based on real events, this is the story of two children swept up in a fight for the soul of Germany -- and the world.

A March to Remember Apr 02 2020 Traveling secretary Hattie Davish is taking her singular talents to Washington, D.C., to help Sir Arthur Windom-Greene research his next book. But in the winding halls of the nation's capital, searching for the truth can sometimes lead to murder . . . Hattie is in her element, digging through dusty basements, attics, and abandoned buildings, not to be denied until she fishes out that elusive fact. But her delightful explorations are dampened when she witnesses a carriage crash into a carp pond beneath the shadow of the Washington Monument. Alarming, one of the passengers flees the scene, leaving the other to drown. The incident only heightens tensions brought on by the much publicized arrival of "Coxey's Army," thousands of unemployed men converging on the capital for the first ever organized "march" on Washington. When one of the marchers is found murdered in the ensuing chaos, Hattie begins to suspect a sinister conspiracy is at hand. As she expands her investigations into the motives of murder and closes in on the trail of a killer, she is surprised and distraught to learn that her research will lead her straight to the highest levels of government . . . Praise for *A Deceptive Homecoming* "A well-written historical mystery that brought the period to life."—Mystery Scene

Gates of Fire Mar 14 2021 NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

The Dutch Wife Aug 07 2020 A sweeping story of survival during World War II Amsterdam, May 1943. As the tulips bloom and the Nazis tighten their grip across the city, the last signs of Dutch resistance are being swept away. Marijke de Graaf and her husband are arrested and deported to different concentration camps in Germany. Marijke is given a terrible choice: to suffer a slow death in the labor camp or—for a chance at survival—to join the camp brothel. On the other side of the barbed wire, SS officer Karl Mÿller arrives at the camp hoping to live up to his father's expectations of wartime glory. When he encounters the newly arrived Marijke, this meeting changes their lives forever. Woven into the narrative across space and time is Luciano Wagner's ordeal in 1977 Buenos Aires, during the heat of the Argentine Dirty War. In his struggle to endure military captivity, he searches for ways to resist from a prison cell he may never leave. From the Netherlands to Germany to Argentina, *The Dutch Wife* braids together the stories of three individuals who share a dark secret and are entangled in two of the most oppressive reigns of terror in modern history. This is a novel about the blurred lines between love and lust, abuse and resistance, and right and wrong, as well as the capacity for ordinary people to persevere and do the

unthinkable in extraordinary circumstances.

Thinking, Fast and Slow Sep 07 2020 Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's *The Undoing Project: A Friendship That Changed Our Minds* In the international bestseller, *Thinking, Fast and Slow*, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, *Thinking, Fast and Slow* is destined to be a classic.

The Dark Side of Samuel Pepys Jun 04 2020 Samuel Pepys is popularly known as the founder of the modern navy, a member of the Royal Society and most of all, as a unique and frank diarist. Less well known is the fact that he was a serial sexual offender by modern standards; a voyeur, a groper and a rapist. Set against the London society of Charles II's restoration, and extensively using Pepys own words, this book concerns his numerous extramarital affairs, often using his professional status and position of influence to advance the careers of his subordinates, in return for the sexual favors of their wives. With his own very frank descriptions, translated from the strange mix of languages and the seventeenth century shorthand he used to camouflage the content, the reader witnesses in often very graphic detail how Pepys set about achieving his lascivious objectives on occasion resorting to physical force where persuasion or bribery failed. Whether she be wife, daughter, mother or humble maidservant, no woman was safe from his rapacious sexual appetite. This book shows the reader a little known, dark and sometimes very disturbing aspect of Samuel Pepys character, one which even in his own day, he would not have wanted to be publicly aired.

How We Know What Isn't So Nov 09 2020 Thomas Gilovich offers a wise and readable guide to the fallacy of the obvious in everyday life. When can we trust what we believe—that "teams and players have winning streaks," that "flattery works," or that "the more people who agree, the more likely they are to be right"—and when are such beliefs suspect? Thomas Gilovich offers a guide to the fallacy of the obvious in everyday life.

Illustrating his points with examples, and supporting them with the latest research findings, he documents the cognitive, social, and motivational processes that distort our thoughts, beliefs, judgments and decisions. In a rapidly changing world, the biases and stereotypes that help us process an overload of complex information inevitably distort what we would like to believe is reality. Awareness of our propensity to make these systematic errors, Gilovich argues, is the first step to more effective analysis and action.
