Good Inside Jan 30 2020 "This book is for any parent who has ever struggled under the substantial weight of caregiving—which is to say, all of us. Good Inside is not only a wise and practical guide to raising resilient, emotionally healthy kids, it's also a supportive resource for overwhelmed parents who need more compassion and less stress. Dr. Becky is the smart, thoughtful, in-the-trenches parenting expert we've been waiting for!"—Eve Rodsky, New York Times bestselling author of Fair Play and Find Your Unicorn Space Dr. Becky Kennedy, wildly popular parenting expert and creator of @drbeckyatgoodinside, shares her groundbreaking approach to raising kids and offers practical strategies for parenting in a way that feels good. Over the past several years, Dr. Becky Kennedy—known to her followers as "Dr. Becky"—has been sparking a parenting revolution. Millions of parents, tired of following advice that either doesn't work or simply doesn't feel good, have embraced Dr. Becky's empowering and effective approach, a model that prioritizes connecting with our kids over correcting them. Parents have long been sold a model of childrearing that simply doesn't work. From reward charts to time outs, many popular parenting approaches are based on shaping behavior, not raising humans. These techniques don't build the skills kids need for life, or account for their complex emotional needs. Add to that parents' complicated relationships with their own upbringings, and it's easy to see why so many caretakers feel lost, burned out, and worried they're failing their kids. In Good Inside, Dr. Becky shares her parenting philosophy, complete with actionable strategies, that will help parents move from uncertainty and self-blame to confidence and sturdy leadership. Offering perspective-shifting parenting principles and troubleshooting for specific scenarios—including sibling rivalry, separation anxiety, tantrums, and more—Good Inside is a comprehensive resource for a generation of parents looking for a new way to raise their kids while still setting them up for a lifetime of self-regulation, confidence, and resilience.

A Guide to Marx's 'Capital' Aug 07 2020 For anyone wishing to understand the modern world, Marx's *Capital* is indispensable. It is also, unfortunately, a difficult book to read. Some of these difficulties are inevitable since the ideas are unfamiliar and complex, but it seems more forbidding than it really is and the reader who persists will find it worth the effort. The Guide is intended to be read in conjunction with *Capital* (though it can be read on its own). It goes through Marx's masterpiece, chapter by chapter, setting each in the context of the whole and picking out the main threads of the argument. Each of Marx's technical terms is explained when it is first used and is also defined in the glossary for easy reference. The introduction outlines the development of Marx's thought and relates it to the philosophical, political and economic ideas of his time. The Guide does not take sides for Marx or against him. Its aim is to contribute to a better understanding of his work.

Maimonides and the Book That Changed Judaism Jul 26 2019 A publishing sensation long at the top of the best-seller lists in Israel, the original Hebrew edition of Maimonides and the Book That Changed Judaism has been called the most successful book ever published in Israel on the preeminent medieval Jewish thinker Moses Maimonides. The works of Maimonides, particularly The Guide for the Perplexed, are reckoned among the fundamental texts that influenced all subsequent Jewish philosophy and also proved to be highly influential in Christian and Islamic thought. Spanning subjects ranging from God, prophecy, miracles, revelation, and evil, to politics, messianism, reason in religion, and the therapeutic role of doubt, Maimonides and the Book That Changed Judaism elucidates the complex ideas of The Guide in remarkably clear and engaging prose. Drawing on his own experience as a central figure in the current Israeli renaissance of Jewish culture and spirituality, Micah Goodman brings Maimonides's masterwork into dialogue with the intellectual and spiritual worlds of twenty-first-century readers. Goodman contends that in Maimonides's view, the Torah's purpose is not to bring clarity about God but rather to make us realize that we do not understand God at all; not to resolve inscrutable religious issues but to give us insight into the true nature and purpose of our lives.
