Primary Mathematics Nov 02 2022 Based on the Primary Mathematics series from Singapore. Designed to equip students with a strong foundation in mathematics and critical thinking skills, the program offers an integrated solution to different learning needs in the classroom.

Spectrum Math Workbook, Grade 4 Mar 26 2022 Spectrum Math for grade 4 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers multiplication, division, fractions, geometric figures, and preparing for algebra. A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet—and surpass—learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

American English Primary Colors 4 Teacher's Book Feb 22 2022 American English Primary Colors is a new 4-level course for young learners. It is packed with fun activities which ensure that children use English in a purposeful way. Right from the start, they are fully involved in thinking for themselves, doing things for themselves and making things themselves, all of which is underpinned by a strong structural syllabus. The Student's Books have engaging stories, puzzles, games, songs and chants, and craft activities. The course includes Activity Books, Teacher's Books, Class Audio CDs, Songs/Songs and Stories CDs, and Vocabulary Cards. The course encourages children to think about the world around them and, at the higher levels, to make connections with other areas of the curriculum. This approach makes language learning meaningful and memorable.
