**The Apostle Apr 13 2021**

**The Life and Work of St. Paul Nov 20 2021**

**To Live Is Christ Jul 17 2021** Examines the life of Paul the Apostle using Biblical passages and studies of ancient Jewish life in Biblical times and finds lessons of faith, humility, and self-sacrifice which modern Christians can apply to their own lives.

**Democracy Nov 28 2019** "Democracy: A Life holds out three unique research aims: a proper understanding of the origins and variety of ancient Greek democracies; a detailed account of the fate of democracy - both the institution and the word - in the ancient Greek and Roman worlds from the fifth century BCE to the 6th century CE; and a nuanced exploration of the ways in which all ancient Greek democracies differed from all modern so-called 'democracies'---

**The Life of St. Paul Aug 06 2020**

**A Loving Life Oct 08 2020** How do you love with no love in return? How do you love when no one notices or cares? Best-selling author Paul Miller tackles these tough questions at the heart of our struggle to love head-on. Drawing from the book of Ruth, A Loving Life offers the help we need to embrace relationship, endure rejection, cultivate community, and reach out to even the most unlovable around us as we discover the power to live a loving life.

**Eisenhower May 27 2022** Acclaimed historian Paul Johnson's lively, succinct profile of Dwight D. Eisenhower explores his life and enduring legacy In the rousing style he's famous for, Paul Johnson offers a fascinating biography of Dwight D. Eisenhower, with particular focus on his years as a five-star general and his two terms as president of the United States. Johnson chronicles Ike's modest childhood in Kansas, his West Point education, and his swift rise through the military ranks, culminating in his appointment as Supreme Commander of the Allied forces during World War II. Johnson then paints a rich portrait of Eisenhower's presidency, many elements of which speak to American politics today: his ability to balance the budget, his mastery in managing an oppositional Congress, and his prescient warnings about the military-industrial complex. This brief yet satisfying portrait will appeal to biography lovers as well as enthusiasts of presidential and military history alike.

**A Harmony of the Life of St. Paul Jan 23 2022**

**A Life in Words Dec 10 2020** An inside look into Paul Auster's art and craft, the inspirations and obsessions, mesmerizing and dramatic in turn. A remarkably candid, and often surprisingly dramatic, investigation into one writer's art, craft, and life, A Life in Words is rooted in three years of dialogue between Auster and Professor I. B. Siegmundfeldt, starting in 2011, while Siegmundfeldt was in the process of launching the Center for Paul Auster Studies at the University of Copenhagen. It includes a number of surprising disclosures, both concerning Auster's work and about the art of writing generally. It is a book that's full of surprises, unscripted yet amounting to a sharply focused portrait of the inner workings of one of America's most productive and successful writers, through all twenty-one of Auster's narrative works and the themes and obsessions that drive them.

**Robert Plant Jun 23 2019** Robert Plant by Paul Rees is the definitive biography of Led Zeppelin's legendary frontman. As lead singer for one of the biggest and most influential rock bands of all time—whose song "Stairway to Heaven" has been played more times on American radio than any other track—Robert Plant defined what it means to be a rock god. Over the course of his twenty-year career, British music journalist and editor Paul Rees has interviewed such greats as Sir Paul McCartney, Bruce Springsteen, Madonna, Bono, and AC/DC. Rees now offers a full portrait of Robert Plant for the first time, exploring the forces that shaped him, the ravaging highs and lows of the Zeppelin years—including his relationship with Jimmy Page and John Bonham—and his life as a solo artist today. Illustrated with more than two dozen photographs, Robert Plant: A Life is the never-before-told story of a gifted, complicated music icon who changed the face of rock 'n' roll.

**The Broken Miracle Apr 01 2020** "I belonged to an exclusive club with only one membership requirement—be born with half a functioning heart." We take many things for granted—having a heart isn't typically one of them. Paul Cardall is an internationally acclaimed pianist whose career has been an inspiration to millions. But before the awards and success, he was just a little b.

**A True Republican Jun 15 2021** Explores Paul Revere's larger role in the American Revolution, his political thought, and his transformation from artisan to entrepreneur in the early Republic

**At Last a Life Nov 01 2022**

**Paul Simon May 15 2021** A publishing event from music legend Paul Simon: an intimate, candid, and definitive biography written with Simon's full participation—but without his editorial control—by acclaimed biographer and music writer Robert Hilburn. For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like "The Sound of Silence," "Bridge Over Troubled Water," "Still Crazy After All These Years," and "Graceland" have moved beyond the sales

charts and into our cultural consciousness. But Simon is a deeply private person who has resisted speaking to us outside of his music. He has said he will not write an autobiography or memoir, and he has refused to talk to previous biographers. Finally, Simon has opened up—for more than one hundred hours of interviews—to Robert Hilburn, whose biography of Johnny Cash was named by Michiko Kakutani of the New York Times as one of her ten favorite books of 2013. The result is a landmark book that will take its place as the defining biography of one of America's greatest artists. It begins in Kew Gardens Hills, Queens, where, raised by a bandleader father and schoolteacher mother, Simon grew up with the twin passions of baseball and music. The latter took over at age twelve when he and schoolboy chum Art Garfunkel became infatuated with the alluring harmonies of doo-wop. Together, they became international icons, and then Simon went on to even greater artistic heights on his own. But beneath the surface of his storied five-decade career is a roller coaster of tumultuous personal and professional ups and downs. From his remarkable early success with Garfunkel to their painfully acrimonious split; from his massive early hits as a solo artist to the wrenching commercial failures of One-Trick Pony and Hearts and Bones; from the historic comeback success of Graceland and The Rhythm of the Saints to the star-crossed foray into theater with The Capeman and a late-career creative resurgence—his is a musical life unlike any other. Over the past three years, Hilburn has conducted in-depth interviews with scores of Paul Simon's friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon's long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon's search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. Paul Simon is an intimate and inspiring narrative that helps us finally understand Paul Simon the person and the artist. "With train-wreck moments and tender interludes alike, it delivers a sharply detailed Kodachrome of a brilliant musician" (Kirkus Reviews).

**Paul Jan 29 2020** The apostle Paul led a dramatic and fascinating life from his conversion on the road to Damascus to his imprisonments to his speeches in the public square. His letters shaped the believers in the early church just as they do today. In this ten-session LifeGuide® Bible Study by Jack Kuhatschek we will survey both the highlights of his life and the core teachings in his writings.

**Discovering and Embracing Your Life Purpose Aug 18 2021** This book has been my dream to write. It truly is my life's purpose illustrated in words. It begins by taking you on a personal journey by peering into a man by the name of Tim and his life. We do not come by knowing our purpose when we first entered this world. There are no instructions or clear guidelines given to us, but there are clues. Many of us never even find our purpose and thus never live the life we were created for. My attempt in this book is to provide the clues or "Puzzle pieces" that I believe were not only put within us to find but are also discovered outside of us through life choices (good and bad). Tim's story illustrates how in his life and mistakes he made he was able to discover some of those clues and be able to take Pain and turn it into triumph and purpose. For us to understand our purpose and reason for our very existence it entails that we start asking some questions and start searching for answers. Although finding one's purpose is not necessarily easy it is worth the search as once you find your purpose you find fulfillment, joy, love, and a sense of meaning. Each chapter is another puzzle piece to help you discover what your purpose may be. Personally, I discovered mine after much pain and a lot of mistakes. Ultimately, I found it in my relationship with God. As you read you will begin to find and discover the clues to your purpose and my hope is it will keep you motivated to keep searching. As you venture through the book you will begin to discover your strengths, talents, gifts, passions, temperament, Love Language, Personality style, and Personality type. Various assessments, and tests have been provided as well as web sites to assist to identify each of these areas to help you better understand what your purpose is. My hope is that as you better understand yourself and what makes you who you are your Purpose will be revealed. Once you do then I believe your life will unfold with a greater sense of meaning and purpose with a desire to live out your purpose in service to others. I end with these 2 quotes. "There is no greater calling than to serve your fellow men, there is no greater contribution than to help the weak, there is no greater satisfaction than to have done it well" Walter Reuther. "Just as the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many" Mathew 20:28.

**Mr. P. C. Jun 03 2020** Winner of the 2013 Association for Recorded Sound Collections Award for Excellence in Historical Recorded Sound Research in Jazz During his 13 year career between 1955 and 1968, Paul Chambers was one of the leading double bass players in jazz, performing with a wide variety of artists and a range of the music's sub-genres and recording over 300 albums for labels such as Blue Note, Riverside, Mercury and Columbia Records. Chambers performed alongside some of the greatest names in jazz including Miles Davis, John Coltrane, Cannonball Adderley, Sonny Rollins, Wes Montgomery, Joe Henderson, Bill Evans, Wayne Shorter, Herbie Hancock, Hank Mobley, Lee Morgan, Gil Evans and Freddie Hubbard. Although he recorded half a dozen LPs under his own name, including his own compositions, he is probably best remembered for his contribution to the greatest jazz recording of all time; Miles Davis' Kind Of Blue where his bass notes are legendary. Mr P. C. tells the story of this quiet giant of jazz; his birth in Pittsburgh, youth in Detroit, his early rise to jazz celebrity, his time at the top, his struggle against alcoholism and heroin addiction and the circumstances surrounding his tragic death of tuberculosis, aged 33, in 1969. Using material from other literary sources and interviews with family members, friends and colleagues in the jazz fraternity, this book tells in full for the first time this influential musician's story. The book includes a comprehensive discography detailing all of his recordings both as a sideman and bandleader.

**Mozart Mar 13 2021** Eminent historian Paul Johnson dazzles with a rich, succinct portrait of Mozart and his music As he's done in Napoleon, Churchill, Jesus, and Darwin, acclaimed historian and author Paul Johnson here offers a concise, illuminating biography of Mozart. Johnson's focus is on the music—Mozart's wondrous output of composition and his uncanny gift for instrumentation. Liszt once said that Mozart composed more bars than a trained copyist could write in a lifetime. Mozart's gift and skill with instruments was also remarkable as he mastered all of them except the harp. For example, no sooner had the clarinet been invented and introduced than Mozart began playing and composing for it. In addition to his many insights into Mozart's music, Johnson also challenges the many myths that have followed Mozart, including those about the composer's health, wealth, religion, and relationships. Always engaging, Johnson offers readers and music lovers a superb examination of Mozart and his glorious music, which is still performed every day in concert halls and opera houses around the world.

**The Double Life of Paul De Man Apr 25 2022** Describes the life of the Yale University professor behind the deconstruction movement, who at the time of his death was one of the most influential literary critics in America but was later revealed to be a Nazi collaborator and anti-Semite. 13,000 first printing.

**Welcome To Your Life Dec 22 2021** Welcome to your life. It's probably not what you expected it to be. About to turn thirty years old, Guy Bradford finds himself trapped in his dead-end job at the Gas and Go on the outskirts of Richmond, Illinois. Stuck caring for his perpetually ungrateful father in the tiny hometown he's never been able to escape, he wonders when he'll finally be able to begin living his own life. Sophie Ross spent her twenties living in other people's homes, caring for their aging parents. The work brought her to Richmond and dozens of other small towns like it. Although she's ready for something new, this is the only way she's found that ensures her little sister gets the opportunities she herself never had. After a brief meeting at The Duke on her last night in town, Sophie and Guy decide they might be kindred spirits... and maybe even more. But once she leaves, their struggle to find out is complicated by her transience and his father's health. In order to finally meet again, Sophie will have to weather a devastating betrayal and Guy will need to avoid falling prey to the scheming of an

alluring former classmate. If they don't succeed, they'll both be sentenced to a lifetime of wondering what might have been. This is a story about the sacrifices we make for family and the small towns and their little bars where people struggle to find meaning in lives they didn't plan on living.

**Face the Music** Dec 30 2019 **NEW YORK TIMES** and **INTERNATIONAL BESTSELLER** In *Face the Music*, Paul Stanley—the co-founder and famous “Starchild” frontman of KISS—reveals for the first time the incredible highs and equally incredible lows in his life both inside and outside the band. *Face the Music* is the shocking, funny, smart, inspirational story of one of rock's most enduring icons and the group he helped create, define, and immortalize. Stanley mixes compelling personal revelations and gripping, gritty war stories that will surprise even the most steadfast member of the KISS Army. He takes us back to his childhood in the 1950s and '60s, a traumatic time made more painful thanks to a physical deformity. Born with a condition called microtia, he grew up partially deaf, with only one ear. But this instilled in him an inner drive to succeed in the most unlikely of pursuits: music. With never-before-seen photos and images throughout, Stanley's memoir is a fully realized and unflinching portrait of a rock star, a chronicle of the stories behind the famous anthems, the many brawls and betrayals, and all the drama and pyrotechnics on and off the stage. Raw and confessional, Stanley offers candid insights into his personal relationships, and the turbulent dynamics with his bandmates over the past four decades. And no one comes out unscathed—including Stanley himself. “People say I was brave to write such a revealing book, but I wrote it because I needed to personally reflect on my own life. I know everyone will see themselves somewhere in this book, and where my story might take them is why I'm sharing it.” —Paul Stanley

**Apostle Paul** Oct 27 2019 Paul's writings are centrally important not only for the establishment of the Christian faith but also for the whole history of Western culture. Senior New Testament scholar Udo Schnelle offers a comprehensive introduction to the life and thought of Paul that combines historical and theological analysis. The work was translated into clear, fluent English from the original German—with additional English-language bibliographical reference materials—by leading American scholar M. Eugene Boring. First released in hardcover to strong acclaim, the book is now available in paperback. It is essential reading for professors, students, clergy, and others with a scholarly interest in Paul.

**Fab** Mar 01 2020 He is one of the most famous, most wealthy people on the planet, and yet he remains little-known and understood as a personality. At long last, Paul McCartney is the subject of a major, deeply researched, psychologically acute biography. It tells a story that will illuminate and surprise. The publication finds McCartney - who turns 70 in 2012 - revitalized as a performer (touring with a set of mostly Beatles songs) and a man buffeted by profound changes in recent years: the death of his first wife, Linda; the death of George Harrison; a second marriage, to Heather Mills, and its spectacular failure, the fall-out from which is still crashing around him.

**My Other Life** May 03 2020 A novel in the guise of an autobiography follows a disaffected novelist's journey from a career in London under the wing of an eccentric mentor to a solitary return to his hometown

**Sketches from the Life of Paul** Sep 30 2022

**Paul McCartney** Jul 29 2022 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney—from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist. More than a rock star, more than a celebrity, Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon-McCartney songwriting duo. In this definitive biography, Peter Ames Carlin examines McCartney's entire life, casting new light not just on the Beatles era but also on his years with Wings and his thirty-year relationship with his first wife, Linda McCartney. He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist, reached the top of the charts with a new band, and once again drew hundreds of thousands of screaming fans to his concerts. Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy—and particularly his relationship with John Lennon—as he was inspired by it. Built on years of research and fresh, revealing interviews with friends, bandmates, and collaborators spanning McCartney's entire life, Carlin's lively biography captures the many faces of the living legend.

**The Illustrated Life Of Paul** Sep 18 2021 Only full color illustrated book on the life of Paul.

**Paul Simon** Jun 27 2022 Acclaimed music writer Robert Hilburn's “epic” and “definitive” (Rolling Stone) biography of music icon Paul Simon, written with Simon's full participation—but without his editorial control—that “reminds us how titanic this musician is” (The Washington Post). For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like “The Sound of Silence,” “Bridge Over Troubled Water,” “Still Crazy After All These Years,” and “Graceland” have moved beyond the sales charts and into our cultural consciousness. But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers. Finally, however, he has opened up for Robert Hilburn—for more than one hundred hours of interviews—in this “brilliant and entertaining portrait of Simon that will likely be the definitive biography” (Publishers Weekly, starred review). Over the course of three years, Hilburn conducted in-depth interviews with scores of Paul Simon's friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon's long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon's search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. “As engaging as a lively American tune” (People), Paul Simon is a “straight-shooting tour de force...that does thorough justice to this American prophet and pop star” (USA TODAY, four out of four stars). “Read it if you like Simon; read it if you want to discover how talent unfolds itself” (Stephen King).

**Gratitude and Trust** Jul 05 2020 Paul Williams is an alcoholic. Tracey Jackson is not. But together, these two close friends have written *Gratitude and Trust*, a book designed to apply the principles of the recovery movement to the countless people who are not addicts but nevertheless need effective help with their difficulties and pain. Williams, the award-winning songwriter, actor, and performer, has embraced a traditional alcoholism recovery plan for more than two decades of sobriety. Jackson, a well-known TV and film writer—and veteran of many years of traditional therapy—has never been a drunk or a drug abuser, but she realized that many of the tenets of Williams's program could apply to her. In *Gratitude and Trust*, Williams and Jackson ask: What happens to those who struggle with vexing problems yet are not full-blown addicts? Are there any lessons to be learned from the foundational and time-tested principles of the recovery movement? Whether you're tethered to your phone or you turn to food for comfort; whether you're a perfectionist and can't let things go or are too afraid to fail to even try; whether you can find intimacy only on the Internet or you've been involved in a string of nasty relationships—the first step toward feeling better about yourself and your life is the realization that you are what's standing in your way. Williams and Jackson have designed a new, positive program, based on a half-dozen new affirmations, that can help conquer your vices, address personal dysfunction, and start to brighten the darkest moods. *Gratitude and Trust* is an essential, inspirational, and uplifting guide to identifying and changing maladaptive behaviors in order to uncover your most productive, healthiest self.

**Paul Newman** Jan 11 2021 Paul Newman, who died in 2008, achieved superstar status by playing charismatic renegades, broken heroes, and winsome anti-heroes in such classic films as *The Hustler*, *Cool Hand Luke*, *Butch Cassidy and the Sundance Kid*, *The Verdict* and *The Color of Money*. And for all the diverse parts he played on the silver screen, Newman occupied nearly

as many roles off it. He was a loving husband and family man, a fund raiser, sold his own brand of pasta sauce to make millions for charity, drove racing cars, and much more. Shawn Levy reveals the many sides of this legendary actor in the most comprehensive biography of the star yet published. We see Newman the consummate professional, a stickler for details and a driven worker. In his private life he played the roles of loyal son and brother, supportive husband - married to Joanne Woodward for 50 years - and responsible provider for six children. But Levy shows that Newman and his life were by no means perfect: there was a dalliance with another woman and failings as a father. The death of his only son Scott from a drug overdose in 1978 would haunt Newman for the rest of his life. Ultimately, the author reveals how Newman was able to blend his many roles and become a man of great integrity who was successful at almost everything he tried. It is a fascinating portrait of an extraordinarily gifted man and will leave readers feeling that they have slipped through the security gate and got to know a movie star who was famously guarded about his private life.

**Homeward Bound** Mar 25 2022 A revelatory account of the life of beloved American music icon, Paul Simon, by the bestselling rock biographer Peter Ames Carlin To have been alive during the last sixty years is to have lived with the music of Paul Simon. The boy from Queens scored his first hit record in 1957, just months after Elvis Presley ignited the rock era. As the songwriting half of Simon & Garfunkel, his work helped define the youth movement of the '60s. On his own in the '70s, Simon made radio-dominating hits. He kicked off the '80s by reuniting with Garfunkel to perform for half a million New Yorkers in Central Park. Five years later, Simon's album "Graceland" sold millions and spurred an international political controversy. And it doesn't stop there. The grandchild of Jewish emigrants from Galicia in the Austro-Hungarian empire, the 75-year-old singer-songwriter has not only sold more than 100 million records, won 15 Grammy awards and been installed into the Rock 'n' Roll Hall of Fame twice, but has also animated the meaning—and flexibility—of personal and cultural identity in a rapidly shrinking world. Simon has also lived one of the most vibrant lives of modern times; a story replete with tales of Carrie Fisher, Leonard Bernstein, Bob Dylan, Woody Allen, Shelley Duvall, Nelson Mandela, drugs, depression, marriage, divorce, and more. A life story with the scope and power of an epic novel, Carlin's *Homeward Bound* is the first major biography of one of the most influential popular artists in American history.

**Paul Bartel** Nov 08 2020 Director Paul Bartel enjoyed poking holes in the expectations of audiences and critics with amusing films about murder, greed and transgressive sex--among them *Death Race 2000* (1975), *Eating Raoul* (1982) and *Scenes from the Class Struggle in Beverly Hills* (1989). He believed that strange stories that aroused laughter had the potential to disorient viewers and challenge their beliefs about American culture and values. This first book-length study of Bartel's life and work traces his emergence as an independent auteur whose work was praised by Hollywood luminaries like Steven Spielberg, Jim Jarmusch and Brian De Palma. Bartel's experiences as a gay man are explored. Interviews with people who knew him--including Roger Corman, Joe Dante and John Waters--are provided, along with critical analysis of each film.

**The Life of St. Paul** Feb 21 2022

**Paul Simon** Sep 26 2019 Chronicles the life of the famous musician and songwriter, including his early years as a doo-wop singer, his tumultuous partnership with Art Garfunkel, and his failed 1998 musical "The Capeman."

**Boss Life** Feb 09 2021 **\*\*A Forbes Best Business Book of the Year, 2015\*\* \*\*Winner of the 2015 800-CEO-READ Business Book Award in Entrepreneurship\*\*** When columnist Paul Downs was approached by The New York Times to write for their "You're the Boss" blog, he had been running his custom furniture business for twenty-four years strong, or mostly strong. Now, in his first book, Downs paints an honest portrait of a real business, with a real boss, a real set of employees, and the real challenges they face. Fresh out of college in 1986, Downs opened his first business, a small company that builds custom furniture. In 1987, he hired his first employee. That's when things got complicated. As his enterprise began to grow, he had to learn about management, cash flow, taxes, and so much more. But despite any obstacles, Downs always remained keenly aware that every small business, no matter the product it makes or the service it provides, starts with people. He writes with tremendous insight about hiring employees, providing motivation to get the best out of them, and the difficult decisions he's made to let some of them go. Downs also looks outward, to his dealings with vendors and to providing each client with exemplary customer service from first sales pitch to final delivery. With honesty and conviction, he tells the true story behind building and sustaining a successful company in an ever-evolving economy, often airing his own failures and shortcomings to reveal the difficulties that arise from being a boss and a businessperson. Countless employees have told the story of their experience with managers—*Boss Life* tells the other side of that story.

**The Life of Paul** Aug 25 2019 "F.B. Meyer's devotional studies on biblical characters reflect a rare depth of spiritual experience. These great figures were not so different from ourselves--sometimes weak, indifferent, willful. Yet they had their moments of faith, humility, and courage, and God was able to use these for His greater purposes. God's faithfulness, which not only accepts but transforms such inconsistency, calls us to more effective Christian living.

**Paul Newman** Sep 06 2020 Paul Newman, the Oscar-winning actor with the legendary blue eyes, achieved superstar status by playing charismatic renegades, broken heroes, and winsome antiheroes in such revered films as *The Hustler*, *Cool Hand Luke*, *Butch Cassidy and the Sundance Kid*, *The Verdict*, *The Color of Money*, and *Nobody's Fool*. But Newman was also an oddity in Hollywood: the rare box-office titan who cared about the craft of acting, the sexy leading man known for the staying power of his marriage, and the humble celebrity who made philanthropy his calling card long before it was cool. The son of a successful entrepreneur, Newman grew up in a prosperous Cleveland suburb. Despite fears that he would fail to live up to his father's expectations, Newman bypassed the family sporting goods business to pursue an acting career. After struggling as a theater and television actor, Newman saw his star rise in a tragic twist of fate, landing the role of boxer Rocky Graziano in *Somebody Up There Likes Me* when James Dean was killed in a car accident. Though he would joke about instances of "Newman's luck" throughout his career, he refused to coast on his stunning boyish looks and impish charm. Part of the original Actors Studio generation, Newman demanded a high level of rigor and clarity from every project. The artistic battles that nearly derailed his early movie career would pay off handsomely at the box office and earn him critical acclaim. He applied that tenacity to every endeavor both on and off the set. The outspoken Newman used his celebrity to call attention to political causes dear to his heart, including civil rights and nuclear proliferation. Taking up auto racing in midlife, Newman became the oldest driver to ever win a major professional auto race. A food enthusiast who would dress his own salads in restaurants, he launched the Newman's Own brand dedicated to fresh ingredients, a nonprofit juggernaut that has generated more than \$250 million for charity. In *Paul Newman: A Life*, film critic and pop culture historian Shawn Levy gives readers the ultimate behind-the-scenes examination of the actor's life, from his merry pranks on the set to his lasting romance with Joanne Woodward to the devastating impact of his son's death from a drug overdose. This definitive biography is a fascinating portrait of an extraordinarily gifted man who gave back as much as he got out of life and just happened to be one of the most celebrated movie stars of the twentieth century.

**Chapters in a Life of Paul** Aug 30 2022

**You Bet Your Life** Oct 20 2021 One of America's top physicians traces the history of risk in medicine—with powerful lessons for today Every medical decision—whether to have chemotherapy, an X-ray, or surgery—is a risk, no matter which way you choose. In *You Bet Your Life*, physician Paul A. Offit argues that, from the first blood transfusions four hundred years ago to the hunt for a COVID-19 vaccine, risk has been essential to the discovery of new treatments. More importantly, understanding the risks is crucial to whether, as a society or as individuals, we accept them. Told in Offit's vigorous and rigorous style, *You Bet Your Life* is an entertaining history of medicine. But it also lays bare the tortured relationships between intellectual

**breakthroughs, political realities, and human foibles. Our pandemic year has shown us, with its debates over lockdowns, masks, and vaccines, how easy it is to get everything wrong. You Bet Your Life is an essential read for getting the future a bit more right.**
