180 Days of Problem Solving for Fourth Grade Aug 07 2020 The 180 Days of Problem Solving for Grade 4 offers daily problem-solving practice geared towards developing the critical thinking skills needed to approach complex problems. This teacher-friendly resource provides thematic units that connect to a standards-based skill that fourth grade students are expected to know to advance to the next level. Lesson plans offer guidance and support for every day of the week, outlining strategies and activities that dig deeper than routine word problems. Each week students will use visual representations and analyze different types of word problems (including non-routine, multi-step, higher thinking problems). This comprehensive resource builds critical thinking skills and connects to national and state standards.

God's Human Face Jun 28 2022 The principal editor of the Catechism of the Catholic Church, presents the sources of meditation on the mystery of God's human face from the great Masters of early Christianity. Artists and theologians have meditated upon the mystery of God's human countenance and tried to express it. This book seeks to present the great sources of this meditation--sources which today are widely unknown, or have become foreign or obscure. These sources are above all the great masters of early Christianity. In their meditation upon Christ, Bishop Schonborn seeks the sources of the art on the Icon. The reader will find not only an engaging introduction to the meaning and beauty of Icons, but an invitation to draw closer to the One who inspired these Masters of theological expression and holy art. Includes beautiful color Icon illustrations.
