Here's How to Do Accent Modification Aug 19 2021 Here's How to Do Accent Modification: A Manual for Speech-Language Pathologists is designed for speech-language pathologists (SLPs) working with clients on accent modification in American English. A growing number of non-native speakers are interested in improving their communication skills and SLPs need preparation to work with this clientele. The text provides copious advice and many diverse techniques for teaching accent modification, from the level of basic sounds to the level of discourse. The text emphasizes realistic goal setting, so that clients focus on becoming effective communicators as opposed to sounding exactly like native speakers. The objective is a balance between clear and natural speech. Many SLPs favor intelligibility over naturalness because of their backgrounds working with speech delayed children, but with non-native speakers this often leads to unnatural speech and listeners focus on how something is said as opposed to what is said. Here's How to Do Accent Modification is uniquely geared toward the skills and backgrounds of SLPs working with clients in a one-on-one setting, but is also an excellent introductory text for any English as a Second Language (ESL) teacher. Robert McKinney brings this unique perspective as a speech-language pathologist with degrees in both Communication Disorders and Teaching English as a Second Language. Also included with the text are numerous practical activities and worksheets for working with clients. The ebook includes audio files and video clips to demonstrate working with non-native speakers.

Dialects for the Stage Jun 04 2020 Dialect work is one of the actor's most challenging tasks. Need to know a Russian accent? Playing a German countess or a Midwestern farmhand? These and more accents – from Yiddish to French Canadian – are clearly explained in Evangeline Machlin's classic work. Now available in a book-and-CD format, Evangeline Machlin's *Dialects for the Stage* is based on a method of dialect acquisition she developed during her years working with students at Boston University's Division of Theatre. During her long career, Evangeline Machlin trained such actors as Steve McQueen, Lee Grant, Suzanne Pleshette, Joanne Woodward, and Faye Dunaway.

Francis Parkman: France and England in North America Vol. 1 (LOA #11) Jul 26 2019 This Library of America volume, along with its companion, presents, for the first time in compact form, all seven titles of Francis Parkman's monumental account of France and England's imperial struggle for dominance on the North American continent. Deservedly compared as a literary achievement to Gibbon's *The Decline and Fall of the Roman Empire*, Parkman's accomplishment is hardly less awesome than the explorations and adventures he so vividly describes. *Pioneers of France in the New World* (1865) begins with the early and tragic settlement of the French Huguenots in Florida, then shifts to the northern reaches of the continent and follows the expeditions of Samuel de Champlain up the St. Lawrence River and into the Great Lakes as he mapped the wilderness, organized the fur trade, promoted Christianity among the natives, and waged a savage forest campaign against the Iroquois. *The Jesuits in North America in the Seventeenth Century* (1867) traces the zealous efforts of the Jesuits and other Roman Catholic orders to convert the Native American tribes of North America. *La Salle and the Discovery of the Great West* (1869) records that explorer's voyages on the Ohio and Mississippi Rivers and his treks, often alone, across the vast western prairies and through the labyrinthine swamps of Louisiana. *The Old Régime in Canada* (1874) recounts the political struggles among the religious sects, colonial officials, feudal chiefs, royal ministers, and military commanders of Canada. Their bitter fights over the monopoly of the fur trade, the sale of brandy to the natives, the importation of wives from the orphanages and poorhouses of France, and the bizarre fanaticism of religious extremists and their "incessant supernaturalism" animate this pioneering social history of early Canada. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing.
