Memorial Articles for 20th Century American Accounting Leaders Sep 28 2019 This collection of memorial articles and selected obituaries highlights the careers and contributions to accounting practice, the accounting profession, and the accounting literature of leading American figures in the 20th century. The memorial articles do much more than recite their subject's career. More importantly, they discuss and assess their subject's role in influencing the course of accounting practice and the profession as well as the evolution of their influential writings, revealing the names of the accounting leaders and leading thinkers of the past century. Memorial Articles for 20th Century American Accounting Leaders is useful in providing students and young researchers with a rich source of intelligence on the leaders who have established norms of practice, advanced the profession, and set the terms of debate in the literature - leaders who are cited and even quoted but who are known mostly as names without a full-bodied treatment of their backgrounds and broader roles in shaping the accounting literature.
