The Bright Lands Feb 09 2021 A Best Book of 2020 from Library Journal, CrimeReads, and BookPage "Marks the debut of an already accomplished novelist." —John Banville The town of Bentley holds two things dear: its football, and its secrets. But when star quarterback Dylan Whitley goes missing, an unremitting fear grips this remote corner of Texas. Joel Whitley was shamed out of conservative Bentley ten years ago, and while he's finally made a life for himself as a gay man in New York, his younger brother's disappearance soon brings him back to a place he thought he'd escaped for good. Meanwhile, Sheriff's Deputy Starsha Clark stayed in Bentley; Joel's return brings back painful memories—not to mention questions—about her own missing brother. And in the high school hallways, Dylan's friends begin to suspect that their classmates know far more than they're telling the police. Together, these unlikely allies will stir up secrets their town has long tried to ignore, drawing the attention of dangerous men who will stop at nothing to see that their crimes stay buried. But no one is quite prepared to face the darkness that's begun to haunt their nightmares, whispering about a place long thought to be nothing but an urban legend: an empty night, a flicker of light on the horizon—The Bright Lands. Shocking, twisty and relentlessly suspenseful, John Fram's debut is a heart-pounding story about old secrets, modern anxieties and the price young men pay for glory.

The Horizontal Man Apr 13 2021 A philandering professor on the faculty of an Ivy League school is found murdered, setting off ripple effects of anxiety, suspicion, and panic in this Edgar Award-winning classic from 1946. The Horizontal Man was Helen Eustis's only crime novel, and she won an Edgar Award for it, combining a wildly disparate set of elements into an enduringly fascinating work. In its way it is a classical whodunit that stands comparison with old-school practitioners such as Agatha Christie or Dorothy Sayers. This mystery transpires in the rarefied precincts of the English department of a venerable New England college, one very much of the restless postwar moment, echoing with references to Freud and Kafka. Eustis finds comedy high and low in a cavalcade of characters bursting at the seams with repressed sexual longings and simmering malice. Beyond the satire, she stirs up—with a narrative whose multiple viewpoints give the book a striking modernistic edge—a troubling sense of the mental chaos lurking just beneath the civilized surfaces of her academic setting.

Blackbringer Oct 20 2021 When the ancient evil of the Blackbringer rises to unmake the world, only one determined faerie stands in its way. However, Magpie Windwitch, granddaughter of the West Wind, is not like other faeries. While her kind live in seclusion deep in the forests of Dreamdark, she's devoted her life to tracking down and recapturing devils escaped from their ancient bottles, just as her hero, the legendary Bellatrix, did 25,000 years ago. With her faithful gang of crows, she travels the world fighting where others would choose to flee. But when a devil escapes from a bottle sealed by the ancient Djinn King himself— the creator of the world— she may be in over her head. How can a single faerie, even with the help of her friends, hope to defeat the impenetrable darkness of the Blackbringer? At a time when fantasy readers have an embarrassment of riches in choosing new worlds to fall in love with, this first novel by a fresh, original voice is sure to stand out.
