The Midnight Children Apr 15 2021 The #1 New York Times and Indie bestseller! From Dan Gemeinhart, the acclaimed author of The Remarkable Journey of Coyote Sunrise, comes an extraordinary story about a family of runaways who take up residence in a small town, and the outcast boy who finds his voice and his people—perfect for fans of Katherine Applegate and Kate DiCamillo. "Dan Gemeinhart's best yet and that's saying something." —Padma Venkatraman, Walter Award-winning author of The Bridge Home In the dead of night, a truck arrives in Slaughterville, a small town curiously named after its windowless slaughterhouse. Seven mysterious kids with suitcases step out of the vehicle and into an abandoned home on a dead-end street, looking over their shoulders to make sure they aren't noticed. But Ravani Foster covertly witnesses their arrival from his bedroom window. Timid and lonely, Ravani is eager to learn everything he can about his new neighbors: What secrets are they hiding? And most mysterious of all...where are the adults? Yet amid this shadowy group of children, Ravani finds an unexpected friend in the warm and gutsy Virginia. But with this friendship comes secrets revealed—and danger. When Ravani learns of a threat to his new friends, he must fight to keep them safe, or lose the only person who has ever understood him. Full of wonder, friendship, and mystery, The Midnight Children explores the meaning of "home," what makes a family, and what it takes to find

the courage to believe in yourself. * "A story of fierce friendship, bravery, loyalty, and finding—or making—a place to belong." —Kirkus Reviews, starred review

"Equal parts Kate DiCamillo and Shirley Jackson, this book is unlike anything else I've ever read—you will love it." —Jonathan Auxier, New York Times-bestselling author of *Night Gardener* and *Sweep: the Story of a Girl and her Monster*

The Builders Jun 17 2021 A missing eye. A broken wing. A stolen country. The last job didn't end well. Years go by, and scars fade, but memories only fester. For the animals of the Captain's company, survival has meant keeping a low profile, building a new life, and trying to forget the war they lost. But now the Captain's whiskers are twitching at the idea of evening the score. PRAISE FOR THE BUILDERS "A living, breathing world of vivid, winsome characters hellbent on their blaze of glory and as unforgiving as a runaway train carrying all your friends over a cliff. I haven't cared about animals this much since *Watership Down*." — Delilah S. Dawson, author of *Hit and Wicked as They Come* "Nobody does dark like Polansky. *The Builders* is *Redwall* meets *Unforgiven*, combining the endearing wit of Disney's *Robin Hood* with all the grit and violence of a spaghetti western." — Myke Cole, author of the *Shadow Ops* series "If Sam Peckinpah and Brian Jacques had a strange peyote ritual and shared a collective dream, it might look something like this. Brutish, nasty, short — much like life — Polansky's *The Builders* is also funny, exciting, and extremely original. *The Wild Bunch* meets *Watership Down*." — John Hornor Jacobs, author of *The Incorruptibles* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Abominable Jan 31 2020 A thrilling tale of high-altitude death and survival set on the snowy summits of Mount Everest, from the bestselling author of *The Terror*. It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young Bromley must be dead, but his mother refuses to believe it and pays the trio to bring him home. Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924 disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. A pulse-pounding story of adventure and suspense, *The Abominable* is Dan Simmons at his spine-chilling best.

Daemon Jul 31 2022 Daniel Suarez's New York Times bestselling debut high-tech thriller is "so frightening even the government has taken note" (*Entertainment Weekly*). *Daemons*: computer programs that silently run in the background, waiting for a specific event or time to execute. They power almost every service. They make our networked world possible. But they also make it vulnerable... When the obituary of legendary computer game architect Matthew Sobol appears online, a previously dormant daemon activates, initiating a chain of events that begins to

unravel our interconnected world. This daemon reads news headlines, recruits human followers, and orders assassinations. With Sobol's secrets buried with him, and as new layers of his daemon are unleashed, it's up to Detective Peter Sebeck to stop a self-replicating virtual killer before it achieves its ultimate purpose—one that goes far beyond anything Sebeck could have imagined...

The Fifth Heart Dec 12 2020 In 1893, Sherlock Holmes and Henry James come to America together to solve the mystery of the 1885 death of Clover Adams, wife of the esteemed historian Henry Adams--member of the Adams family that has given the United States two Presidents. Clover's suicide appears to be more than it at first seemed; the suspected foul play may involve matters of national importance. Holmes is currently on his Great Hiatus--his three-year absence after Reichenbach Falls during which time the people of London believe him to be deceased. Holmes has faked his own death because, through his powers of ratiocination, the great detective has come to the conclusion that he is a fictional character. This leads to serious complications for James--for if his esteemed fellow investigator is merely a work of fiction, what does that make him? And what can the master storyteller do to fight against the sinister power -- possibly named Moriarty -- that may or may not be controlling them from the shadows?

Focus (HBR Emotional Intelligence Series) Oct 10 2020 The importance of achieving focus goes well beyond your own productivity. Deep focus allows you to lead others successfully, find clarity amid uncertainty, and heighten your sense of professional fulfillment. Yet the forces that challenge sustained focus range from dinging phones to office politics to life's everyday worries. This book explains how to strengthen your ability to focus, manage your team's attention, and break the cycle of distraction. This volume includes the work of: Daniel Goleman Heidi Grant Amy Jen Su Rasmus Hougaard HOW TO BE HUMAN AT WORK. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master.

Dead Solid Perfect Oct 29 2019 The legendary golf novel, rereleased in a special edition with a new foreword by the author. Don Imus said it best: "Dan Jenkins is a comic genius." And nowhere is that genius more evident than in Dead Solid Perfect, his uproarious 1974 novel about life on the PGA Tour. To some, Kenny Lee Puckett, the star of Jenkins's ribald saga, is a more important figure in the history of golf than Bobby Jones himself.

The Shaman Sep 28 2019 The follow up to the debut thriller in the Assassin series Dan Stone, a contract assassin for the CIA, a man alone with few friends is sent out on what may be a suicide mission. Dan is dropped into the Chihuahuan desert to assassinate the head of the Sinaloa cartel. His mission suddenly becomes more complex and dangerous. When his extraction is botched, he flees into the desert where he gets lost and death by dehydration threatens. There he meets a shaman who shows him the spiritual dimension to life and how Dan is part of a larger story

going on-a battle between good and evil, light and darkness. The shaman takes Dan on a spirit journey and Dan's world suddenly gets more complicated than he ever imagined. The Indian mystic sends Dan on an additional mission which challenges his sanity and may cost him his life. Along the way he tries to save the beautiful wife and children of the drug lord he had assassinated. Dan has to complete the tasks given him by the shaman without help from his CIA handlers and then try to make it out of the country on his own. If you're a fan of Jack Reacher or Mitch Rapp, you'll enjoy Dan Stone's adventures in this action packed thriller.

Olympus Aug 20 2021 Beneath the gaze of the gods, the mighty armies of Greece and Troy met in fierce and glorious combat, scrupulously following the text set forth in Homer's timeless narrative. But that was before twenty-first-century scholar Thomas Hockenberry stirred the bloody brew, causing an enraged Achilles to join forces with his archenemy Hector and turn his murderous wrath on Zeus and the entire pantheon of divine manipulators; before the swift and terrible mechanical creatures that catered for centuries to the pitiful idle remnants of Earth's human race began massing in the millions, to exterminate rather than serve. And now all bets are off.

Stumbling on Happiness Jul 07 2020 A smart and funny book by a prominent Harvard psychologist, which uses groundbreaking research and (often hilarious) anecdotes to show us why we're so lousy at predicting what will make us happy - and what we can do about it. Most of us spend our lives steering ourselves toward the best of all possible futures, only to find that tomorrow rarely turns out as we had expected. Why? As Harvard psychologist Daniel Gilbert explains, when people try to imagine what the future will hold, they make some basic and consistent mistakes. Just as memory plays tricks on us when we try to look backward in time, so does imagination play tricks when we try to look forward. Using cutting-edge research, much of it original, Gilbert shakes, cajoles, persuades, tricks and jokes us into accepting the fact that happiness is not really what or where we thought it was. Among the unexpected questions he poses: Why are conjoined twins no less happy than the general population? When you go out to eat, is it better to order your favourite dish every time, or to try something new? If Ingrid Bergman hadn't gotten on the plane at the end of Casablanca, would she and Bogey have been better off? Smart, witty, accessible and laugh-out-loud funny, Stumbling on Happiness brilliantly describes all that science has to tell us about the uniquely human ability to envision the future, and how likely we are to enjoy it when we get there.

An American Band Aug 27 2019 "An American Band", the America Story, tells the story of the formative years of AMERICA, Dan's personal road to success in music and the turbulent times that followed, leading ultimately to his spiritual awakening.

Hard Freeze May 17 2021 Revenge has never been served so cold. Joe Kurtz, former investigator and convicted felon, is on parole. But the years he spent in Attica didn't make his old haunts any safer. Back on the streets of Buffalo, he's already marked by a local Mafia don. As if watching his back weren't enough work, Kurtz has also been hired by a gravely ill John Frears, whose daughter met a grisly fate at the hands of a murderer. Frears wants one thing before he dies: for Kurtz to

find the fiend that the authorities couldn't. But the calculating killer--a master at changing identities--has a little unfinished business of his own. Dodging a contract on his head and tracking a serial killer on the loose, Kurtz plunges headfirst into the icy waters of revenge as both victim and avenger.

The Good Client Nov 03 2022 Criminal defense attorney Mitch Turner is awoken in the middle of the night by a message from his nerdy law school employee, Timothy Cooper, begging Mitch for help. Uncertain about the problem from Timothy's cryptic texts, Mitch Turner slips into his suit and heads over to visit Timothy, unable to imagine any reason why Timothy would be calling for help at such a late hour. Mitch arrives to find the police at Timothy's apartment and learns that Timothy's roommate was murdered. Mitch immediately retrieves Timothy from the police before they can get him to say anything more and while in the process has a run-in with his ex-girlfriend who is now a detective. Mitch takes Timothy back to his office to debrief, but not long afterward, the police show up and arrest Timothy for the murder of his roommate. There are no witnesses. There are no other suspects. The police consider it an open and shut case, but the only thing that keeps Mitch from arranging a plea bargain is his belief that his client did not do it. The deeper Mitch digs, the more he learns that his client has secrets that he wants to be kept quiet at any cost, even at the expense of going to jail for something he did not do. Mitch soon learns he must work at odds with his client to provide the best legal representation possible, going around Timothy as he fights to keep his client out of jail. If you like legal thrillers, this novel is for you. Mitch Turner is a fast-talking lawyer who takes risks where others might not. Fans of John Grisham, Michael Connelly, and Scott Turrow will enjoy this story. Pick up your copy today! Sneak Peek: I sent the message and tried to figure out what my next step ought to be. I had intentionally not asked for details but I needed to know what I was walking into. The communications should be privileged, but I wasn't going to trust to that, especially not in the heat of the moment. If the fool had thought to encrypt his phone this might have been easier. My instruction to password protect his phone had been done more to protect me than him. If it wasn't encrypted it was already too late. From now on I was going to require every employee to encrypt their phone. Of course, I expected this would be the first and last time I would ever have an employee call me for criminal defense work. "Ok. What next?" Timothy sent as a text. "Our communications should be privileged," I texted back, "assuming you want me to be your attorney. Are you retaining my services as your attorney?" The message came back instantly. "Yes." "In a typical situation I would have you pay a retainer and sign an agreement, but we do not have time. We will go over the details later. I am assuming you are willing to pay. Correct?" While this might have seemed a little self-serving, I just wanted to make sure that I had evidence to back me up if I needed to prove an attorney-client relationship had formed. What I had already done should have been sufficient, but I liked to be thorough. "I will pay whatever I can. My dad can wire you the retainer." "Please be succinct in response to my next question. Assume the cops will read it so admit nothing." I waited. "What are we dealing with here?" I sent a moment later. It was a minute or two before Cooper replied. "My roommate is dead on his bed. Somebody blew out his brains." The English Assassin Mar 15 2021 Spy turned art restorer Gabriel Allon finds

himself accused of murder in this New York Times bestseller from Daniel Silva. An Israeli spy by trade and art restorer by preference, Gabriel Allon arrives in Zurich to restore the work of an Old Master for a millionaire banker—and finds himself standing in blood and framed for the man's murder. While trying to clear his name, Allon is swept into a spiraling chain of events involving Nazi art theft, a decades-old suicide, and a dark and bloody trail of killings—some of them his own. The spy world Allon thought he had left behind has come back to haunt him. And he will have to fight for his life—against an assassin he himself helped train.

The Coming Nov 22 2021 "The Coming is powerful. And beautiful...This is a work to be proud of."--Charles Johnson, National Book Award winner for *Middle Passage* Lyrical, poetic, and hypnotizing, *The Coming* tells the story of a people's capture and sojourn from their homeland across the Middle Passage--a traumatic trip that exposed the strength and resolve of the African spirit. Extreme conditions produce extraordinary insight, and only after being stripped of everything do they discover the unspeakable beauty they once took for granted. This powerful, haunting novel will shake readers to their very souls. "Part homage to the proud and diverse cultures of Africa, part nightmare of the people stolen from those lands, *The Coming* seduces us with poetry, then breaks our hearts, but ultimately inspires us to celebrate the indomitable soul of humanity." —George Weinstein, author of *Hardscrabble Road*

Flashback Sep 01 2022 The United States is near total collapse. But 87% of the population doesn't care: they're addicted to flashback, a drug that allows its users to re-experience the best moments of their lives. After ex-detective Nick Bottom's wife died in a car accident, he went under the flash to be with her; he's lost his job, his teenage son, and his livelihood as a result. Nick may be a lost soul but he's still a good cop, so he is hired to investigate the murder of a top governmental advisor's son. This flashback-addict becomes the one man who may be able to change the course of an entire nation turning away from the future to live in the past. A provocative novel set in a future that seems scarily possible, *FLASHBACK* proves why Dan Simmons is one of our most exciting and versatile writers.

Let's Go Stag! Sep 20 2021 For much of the 20th century, the underground pornography industry - made up of amateurs and hobbyists who created hardcore, explicit "stag films" - went about its business hounded by reformers and law enforcement, from local police departments all the way up to the FBI. Rumors of this illicit activity circulated and became the stuff of urban myth, but this period of pornography history remains murky. *Let's Go Stag!* reveals the secrets of this underground world. Using the archives of civic groups, law enforcement, bygone government studies and similarly neglected evidence, archivist Dan Erdman reconstructs the means by which stag films were produced, distributed and exhibited, as well as demonstrate the way in which these practices changed with the times, eventually paving the way for the pornographic explosion of the 1970s and beyond. *Let's Go Stag!* is sure to point the way for countless future researchers and remain the standard work of history for this era of adult film for a long time to come.

Who Not How Jun 05 2020 The world's foremost entrepreneurial coach shows you how to make a mindset shift that opens the door to explosive growth and limitless

possibility--in your business and your life. Have you ever had a new idea or a goal that excites you... but not enough time to execute it? What about a goal you really want to accomplish...but can't because instead of taking action, you procrastinate? Do you feel like the only way things are going to get done is if you do them? But what if it wasn't that way? What if you had a team of people around you that helped you accomplish your goals (while you helped them accomplish theirs)? When we want something done, we've been trained to ask ourselves: "How can I do this?" Well, there is a better question to ask. One that unlocks a whole new world of ease and accomplishment. Expert coach Dan Sullivan knows the question we should ask instead: "Who can do this for me?" This may seem simple. And it is. But don't let the lack of complexity fool you. By mastering this question, you will quickly learn how billionaires and successful entrepreneurs like Dan build incredible businesses and personal freedom. This book will teach you how to make this essential paradigm-shift so you can:

- Build a successful business effectively while not killing yourself
- Immediately free-up 1,000+ hours of work that you shouldn't be doing anyway
- Bypass the typical scarcity and decline of aging and other societal norms
- Increase your vision in all areas of life and build teams of WHOs to support you in that vision
- Never be limited in your goals and ambitions again
- Expand your abundance of wealth, innovation, relationships, and joy

Build a life where everything you do is your choice--how you spend your time, how much money you make, the quality of your relationships, and the type of work you do Making this shift involves retraining your brain to stop limiting your potential based on what you solely can do and instead focus on the nearly infinite and endless connections between yourself and other people as well as the limitless transformation possible through those connections.

Strike Mar 03 2020 Advance Praise for Strike Harris is a thirty-year food industry veteran and parlays that extensive experience into this nasty and vitriolic family food fight trilogy, which ends with a satisfying turn of events and a fitting coda to a unique and impressively written series--arousing, appealingly melodramatic conclusion to the Galetti family food wars. --Kirkus Reviews The CEO of Food Basket, Russell Riley, is offered the opportunity to purchase Galetti Supermarkets. What could be easier than acquiring a food chain of stores where he was employed for thirty years? What indeed! Start with twenty-five thousand employees from Galetti, going on strike, shutting down a four-billion-dollar business as the lights go out in seventy-two stores. Stir in two murders while the negative financial impact of the strike on the commonwealth brings the governor and the attorney general to Riley, looking for answers.

Disrupted May 05 2020 An instant New York Times bestseller, Dan Lyons' "hysterical" (Recode) memoir, hailed by the Los Angeles Times as "the best book about Silicon Valley," takes readers inside the maddening world of fad-chasing venture capitalists, sales bros, social climbers, and sociopaths at today's tech startups. For twenty-five years Dan Lyons was a magazine writer at the top of his profession--until one Friday morning when he received a phone call: Poof. His job no longer existed. "I think they just want to hire younger people," his boss at Newsweek told him. Fifty years old and with a wife and two young kids, Dan was, in a word, screwed. Then an idea hit. Dan had long reported on Silicon Valley and the

tech explosion. Why not join it? HubSpot, a Boston start-up, was flush with \$100 million in venture capital. They offered Dan a pile of stock options for the vague role of "marketing fellow." What could go wrong? HubSpotters were true believers: They were making the world a better place ... by selling email spam. The office vibe was frat house meets cult compound: The party began at four thirty on Friday and lasted well into the night; "shower pods" became hook-up dens; a push-up club met at noon in the lobby, while nearby, in the "content factory," Nerf gun fights raged. Groups went on "walking meetings," and Dan's absentee boss sent cryptic emails about employees who had "graduated" (read: been fired). In the middle of all this was Dan, exactly twice the age of the average HubSpot employee, and literally old enough to be the father of most of his co-workers, sitting at his desk on his bouncy-ball "chair."

Burning Down Boise Mar 27 2022 Dan Slaughter has given up on appearances. With his wife dead and his kids grown, he's slowly reverting back to the east Tennessee boy he used to be three decades earlier. He quit cutting his hair and started smoking pot. He drinks when he wants to and sings along with the classic songs of his lost youth. When his childhood friend Carl dies suddenly, Dan agrees to help Carl's mother with the estate, even when it means traveling across the country to Boise, Idaho. Worse yet, Dan has to fly and that's no easy task for a paranoid hillbilly not used to following rules. Once he arrives in Boise, it doesn't take long for Dan to figure out that there's a lot more to his friend's death than he'd been led to believe. He begins to suspect the overdose was actually murder and he can't let it rest. Only days after arriving, a mysterious solar event traps Dan in the city, leaving him with no prospect of returning home anytime soon. Rather than panicking, Dan readily accepts the new state of things. For him, the apocalypse is an opportunity. With no law enforcement, his plan to deliver a dose of Tennessee justice in downtown Boise just got a whole lot easier.

Sleepwalk Jan 13 2021 "[Chaon] does madcap well and likes his characters, even the killers — especially the killers." —The New York Times Book Review A New York Times Book Review Editors' Choice An Indie Next pick for June 2022 Named a Best Book of Spring by Esquire Named a Best Book of Summer by The Chicago Tribune Named a Best Book of May by The Philadelphia Inquirer An NPR "Book of the Day" A USA Today "Must Read" Named one of the "27 Books We Can't Wait to Read This Winter" by Thrillist A high speed and darkly comic road trip through a near future America with a big hearted mercenary, from beloved and acclaimed novelist Dan Chaon. Sleepwalk's hero, Will Bear, is a man with so many aliases that he simply thinks of himself as the Barely Blur. At fifty years old, he's been living off the grid for over half his life. He's never had a real job, never paid taxes, never been in a committed relationship. A good-natured henchman with a complicated and lonely past and a passion for LSD microdosing, he spends his time hopscotching across state lines in his beloved camper van, running sometimes shady often dangerous errands for a powerful and ruthless operation he's never troubled himself to learn too much about. He has lots of connections, but no true ties. His longest relationships are with an old rescue dog that has post-traumatic stress and a childhood friend as deeply entrenched in the underworld as he is, who, lately, he's less and less sure he can trust. Out of the blue, one of Will's many burner phones

heralds a call from a twenty-year-old woman claiming to be his biological daughter. She says she's the product of one of his long-ago sperm donations; he's half certain she's AI. She needs his help. She's entrenched in a widespread and nefarious plot involving Will's employers, and for Will to continue to have any contact with her increasingly fuzzes the line between the people he is working for and the people he's running from. With his signature blend of haunting emotional realism and fast-paced intrigue, Dan Chaon populates his fractured America with characters who ring all too true. Gazing both back to the past and forward to an inevitable-enough-seeming future, *Sleepwalk* examines where we've been and where we're going and the connections that bind us, no matter how far we travel to dodge them or how cleverly we hide.

Dr. Dan Oct 02 2022 AN AMAZON TOP 100 BESTSELLER From USA Today Bestselling Author K Webster, comes a new taboo treat standalone novel! Lauren will do anything besides face reality. Her truth won't set her free because it's too busy hunting her. It chases her into the ER more often than she can count. Dr. Venable is hellbent on finding answers for his most frequent hospital visitor. Even when his stunningly beautiful patient is difficult and resistant. He'll uncover her pain because he wants nothing more than to heal the sassy young woman. Long nights. Rising temperatures. Feverish needs. Love may not be a cure, but they're going to test it anyway.

Blitz Jan 01 2020 In the riveting new thriller in the Rook Files series, a new recruit to the most powerful supernatural intelligence agency on Earth is accused of going rogue and must go on the run to clear her name. September, 1940. Three women of the Checquy, the secret organization tasked with protecting Britain from supernatural threats, stand in the sky above London and see German aircraft approach. Forbidden by law to interfere, all they can do is watch as their city is bombed. Until Pamela, the most sensible of them, breaks all the rules and brings down a Nazi bomber with her bare hands. The three resolve to tell no one about it, but they soon learn that a crew member is missing from the downed bomber. Charred corpses are discovered in nearby houses and it becomes apparent that the women have unwittingly unleashed a monster. Through a city torn by the Blitz, the friends must hunt the enemy before he kills again. Their task will take them from the tunnels of the Underground to the halls of power, where they will discover the secrets that a secret organization must keep even from itself. Today. Lynette Binns, a librarian with a husband and child, is a late recruit to the Checquy, having discovered only as an adult her ability to electrify everyday objects with her touch. After completing her training, she is assigned to examine a string of brutal murders and quickly realizes that all bear the unmistakable hallmark of her own unique power. Unable to provide an alibi and determined to prove her innocence, she flees, venturing into the London underworld to find answers. But now she is prey, being tracked by her own frighteningly capable comrades. As Lyn fights off powered thugs and her own vengeful colleagues, she will find that the solution to the murders and to the mystery of her own past lies in the events of World War II, and the covert actions of three young women during the Blitz.

Families Can Feb 11 2021 A rhyming, light-hearted celebration of the wonderful differences that make each family unique. A family can be Any kind of number Maybe there's one parent Strong like thunder This charmingly heartfelt board book is for families: families who cook together and families who sing together, families with lots of members and families with a special few, families who live together and families who live separately--for all families. Celebrate the differences that make each family unique and the similarities and love that connect us all together.

The Truth about Daniel Jun 25 2019 Annie Osborn was fascinated by everything about Daniel Read Anthony-his service as a Civil War colonel who battled slavery; his courage and endurance settling the wild West; and his family ties to Susan B. Anthony, Annie's own heroine. Nevertheless, she has doubts about his suitability as a husband. Did he risk his life for unselfish reasons or because he enjoyed danger? From the fiery conflict of Kansas to the prim parlors of Martha's Vineyard, The Truth About Daniel portrays lovers who forge new bonds through their willingness to take chances. This first novel in the Dauntless Series weaves historical strands about D.R. Anthony to delve into his improbable choice of a bride, a socialite half his age from the whaling capital of Martha's Vineyard.

Drive Feb 23 2022 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Inferno Apr 27 2022 #1 WORLDWIDE BESTSELLER Harvard professor of symbology Robert Langdon awakens in an Italian hospital, disoriented and with no recollection of the past thirty-six hours, including the origin of the macabre object hidden in his belongings. With a relentless female assassin trailing them through Florence, he and his resourceful doctor, Sienna Brooks, are forced to flee. Embarking on a harrowing journey, they must unravel a series of codes, which are the work of a brilliant scientist whose obsession with the end of the world is matched only by his passion for one of the most influential masterpieces ever written, Dante Alighieri's The Inferno. Dan Brown has raised the bar yet again, combining classical Italian art, history, and literature with cutting-edge science in this captivating thriller.

You Will Get Through This Night Jun 29 2022 The Instant New York Times Bestseller A practical guide to taking control of your mental health for today, tomorrow, and the days after, from the #1 New York Times bestselling author and beloved entertainer. 'There's a moment at the end of every day, where the world falls away and you are left alone with your thoughts. A reckoning, when the things

you have been pushing to the background, come forward and demand your attention.' Written by Daniel Howell, in consultation with a qualified psychologist, in an entertaining and personal way from the perspective of someone who has been through it all—this no-nonsense book gives you the tools to understand your mind so you can be in control and really live. Split into three chapters for each stage of the journey: *This Night* - how to get through your toughest moments and be prepared to face anything. *Tomorrow* - small steps to change your thoughts and actions with a big impact on your life. *The Days After* - help to look after yourself in the long term and not just survive, but thrive. You will laugh and learn—but most of all, this book will assure you that even in your darkest times, there is always hope. You will get through this night.

Final Table Sep 08 2020 A political thriller about sexual misconduct in the #MeToo era, one victim's battle to survive and overcome trauma, and the cable news machine that feeds off titillating scandal coverage and inflammatory confrontation, *Final Table* draws upon Dan Schorr's firsthand experience as a New York sex crimes prosecutor and sexual misconduct investigator to tackle the worlds of political and media dysfunction. Former White House staffer Maggie Raster is struggling to build her own consulting firm and overcome a recent sexual assault by an ex-boss. Kyler Dawson, a broke former poker champion, desperately needs to gain entry into a controversial but potentially very lucrative international poker tournament. The host nation faces widespread condemnation for the recent murder of a prominent female US journalist, and a pending presidential executive order threatens to prohibit him and others from participating. Maggie's chaotic first attempt to promote her new business as a television political analyst brings her to Kyler's attention, and convinces him that her political smarts and connections can provide the help he needs. When he approaches her for assistance, she must decide whether to agree—in return for a portion of the potential \$20 million prize. To succeed, she will have to confront significant adversity—personal and political, foreign and domestic—including mounting pressure to publicly address the misconduct of her former boss. Kyler also has his own obstacles and upsetting past to overcome, but if they each can outmaneuver their daunting challenges, he might win the tournament—and earn them both a fortune.

River of Bones Jul 27 2019 A peaceful village and a lakeside paradise. So why do women keep disappearing? Thomas Shepherd returns to Wolf Lake as the county's new sheriff. This is the life he dreamed of. Friends he can rely on. An idyllic home along the water. Then a hiker uncovers human bones, rekindling the mysterious disappearance of Skye Feron, a popular teenager who vanished six years ago. Are these her remains? Disturbed by the grisly discovery, Skye's close friends return to Wolf Lake. But as the investigation unfolds, Thomas links the girls to a ghost from their past. Are they hiding a deadly secret? When Skye's friend vanishes, Thomas tackles his most challenging case to date. And he comes face to face with the monster who has been chasing the girls for six years.

A Winter Haunting Aug 08 2020 A once-respected college professor and novelist, Dale Stewart has sabotaged his career and his marriage -- and now darkness is closing in on him. In the last hours of Halloween he has returned to the dying town of Elm Haven, his boyhood home, where he hopes to find peace in isolation. But

moving into a long-deserted farmhouse on the far outskirts of town -- the one-time residence of a strange and brilliant friend who lost his young life in a grisly "accident" back in the terrible summer of 1960 -- is only the latest in his long succession of recent mistakes. Because Dale is not alone here. He has been followed to this house of shadows by private demons who are now twisting his reality into horrifying new forms. And a thick, blanketing early snow is starting to fall ...

The Amazing Book Is Not on Fire Jan 25 2022 THE INSTANT #1 NEW YORK TIMES BESTSELLER From YouTube sensations Dan Howell (danisnotonfire) and Phil Lester (AmazingPhil) comes a laugh-out-loud look into the world created by two awkward guys who share their lives on the Internet. More than 11 million YouTube subscribers can't wait for this book! Since uploading their first ever videos as teenagers, Dan and Phil have become two of the world's biggest YouTube stars. Now they invite you on a behind-the-scenes journey, filled with absolutely essential advice, tons of humor, lots of awkwardness, and TMI honesty that they will probably regret. Here's just a small sample of the fun surprises readers can look forward to: • The inside story of that time they met One Direction. • Excerpts from Phil's teenage diary. • Reasons why Dan's a fail (so far). • How to draw the perfect cat whiskers. • Reasons why Phil was such a weird kid (back then). • Quizzes! Which of their dining room chairs represents you emotionally? • What really happened in Vegas. . . . In *The Amazing Book Is Not on Fire*, Dan and Phil are candid, heartfelt, and hilarious. Their struggles and success haven't changed their strong friendship or their core belief that it's okay to be weird. The cat whiskers come from within! This full-color book is bursting with unseen photographs and drawings, making it an ideal gift for that hard-to-shop-for teen.

Her Last Breath Nov 10 2020 He's hunting a psychopath. And now the killer wants him dead. After he's shot in the line of duty, Detective Thomas Shepherd returns to Wolf Lake to pick up the pieces of his shattered life. Living beside the water, he finds peace...until the body of a missing woman washes up on his shore and the town blames a teenage boy with a history of violence. Is a killer stalking the sleepy resort village? Thomas isn't convinced the teenager committed murder. Challenging a village that wants justice at any cost, he pursues the real killer as evidence mounts against the teenager. If he fails, an innocent boy will go to prison. Can Thomas clear the boy's name before he becomes the killer's next victim? Praise for Dan Padavona: "I was actually turning pages on my Kindle so fast, I thought I would burn it out." - Amazon Review "One of the most exciting writers to burst upon the scene in quite some time." - Brian Keene, Bram Stoker Award-Winning Author "Characters that you can care about. Read this in one sitting. Scary as hell. Locked my doors even." - Amazon Review "Dan builds tension like few others can. His prose is rich and his characters are memorable. I dare you to read a Padavona story with the lights out." - Zach Bohannon, author of the Empty Bodies series "Read the complete series. Absolutely awesome author." - Amazon Review Indie Thriller Novel of the Year Finalist

Carrion Comfort May 29 2022 "CARRION COMFORT is one of the three greatest horror novels of the 20th century. Simple as that." --Stephen King "Epic in scale and scope but intimately disturbing, CARRION COMFORT spans the ages to rewrite

history and tug at the very fabric of reality. A nightmarish chronicle of predator and prey that will shatter your world view forever. A true classic." --Guillermo del Toro
"CARRION COMFORT is one of the scariest books ever written. Whenever I get the question asked Who's your favorite author? my answer is always Dan Simmons."
--James Rollins "One of the few major reinventions of the vampire concept, on a par with Jack Finney's *Invasion of the Body Snatchers*, Richard Matheson's *I Am Legend*, and Stephen King's *Salem's Lot*. --David Morrell
THE PAST... Caught behind the lines of Hitler's Final Solution, Saul Laski is one of the multitudes destined to die in the notorious Chelmno extermination camp. Until he rises to meet his fate and finds himself face to face with an evil far older, and far greater, than the Nazi's themselves... THE PRESENT... Compelled by the encounter to survive at all costs, so begins a journey that for Saul will span decades and cross continents, plunging into the darkest corners of 20th century history to reveal a secret society of beings who may often exist behind the world's most horrible and violent events. Killing from a distance, and by darkly manipulative proxy, they are people with the psychic ability to 'use' humans: read their minds, subjugate them to their wills, experience through their senses, feed off their emotions, force them to acts of unspeakable aggression. Each year, three of the most powerful of this hidden order meet to discuss their ongoing campaign of induced bloodshed and deliberate destruction. But this reunion, something will go terribly wrong. Saul's quest is about to reach its elusive object, drawing hunter and hunted alike into a struggle that will plumb the depths of mankind's attraction to violence, and determine the future of the world itself...

Song of Kali Nov 30 2019 The World Fantasy Award winner by the author of the *Hyperion Cantos* and *Carrion Comfort*: An American finds himself encircled by horrors in Calcutta. Praised by Dean Koontz as "the best novel in the genre I can remember," *Song of Kali* follows an American magazine editor who journeys to the brutally bleak, poverty-stricken Indian city in search of a manuscript by a mysterious poet—but instead is drawn into an encounter with the cult of Kali, goddess of death. A chilling voyage into the squalor and violence of the human condition, this novel is considered by many to be the best work by the author of *The Terror*, who has been showered with accolades, including the Bram Stoker Award, the International Horror Guild Award, and the Hugo Award.

The Last Squadron Oct 22 2021 Just fifteen years from now, the world has become polarized along ethnic and religious lines. Regional low-intensity wars have now been raging for thirty-five years. In the midst of the conflict, an Allied forces team from the 9th Mountain Squadron are shot down over the Nordic wilderness.

Change Agent Jul 19 2021 New York Times bestselling author Daniel Suarez delivers an exhilarating sci-fi thriller exploring a potential future where CRISPR genetic editing allows the human species to control evolution itself. On a crowded train platform, Interpol agent Kenneth Durand feels the sting of a needle—and his transformation begins... In 2045 Kenneth Durand leads Interpol's most effective team against genetic crime, hunting down black market labs that perform "vanity edits" on human embryos for a price. These illegal procedures augment embryos in ways that are rapidly accelerating human evolution—preying on human-trafficking victims to experiment and advance their technology. With the worlds of genetic

crime and human trafficking converging, Durand and his fellow Interpol agents discover that one figure looms behind it all: Marcus Demang Wyckes, leader of a powerful and sophisticated cartel known as the Huli jing. But the Huli jing have identified Durand, too. After being forcibly dosed with a radical new change agent, Durand wakes from a coma weeks later to find he's been genetically transformed into someone else—his most wanted suspect: Wyckes. Now a fugitive, pursued through the genetic underworld by his former colleagues and the police, Durand is determined to restore his original DNA by locating the source of the mysterious—and highly valuable—change agent. But Durand hasn't anticipated just how difficult locating his enemy will be. With the technology to genetically edit the living, Wyckes and his Huli jing could be anyone and everyone—and they have plans to undermine identity itself.

Kill Decision Dec 24 2021 A scientist and a soldier must join forces when combat drones zero in on targets on American soil in this gripping technological thriller from New York Times bestselling author Daniel Suarez. Linda McKinney studies the social behavior of insects—which leaves her entirely unprepared for the day her research is conscripted to help run an unmanned and automated drone army. Odin is the secretive Special Ops soldier with a unique insight into a faceless enemy who has begun to attack the American homeland with drones programmed to seek, identify, and execute targets without human intervention. Together, McKinney and Odin must slow this advance long enough for the world to recognize its destructive power. But as enigmatic forces press the advantage, and death rains down from above, it may already be too late to save mankind from destruction.

Finish Strong: The Dan Russell Story Apr 03 2020 For twenty-one years Dan Russell trained for four to six hours a day, six days a week in pursuit of winning an Olympic Gold medal in the sport of wrestling. He pushed his body to the limits, enduring brutal weight loss regimens, shattering injuries, personal tragedy and constant inner battles with the voices from his past telling him that he wasn't good enough. With his brother and fellow champion wrestler, Joe, by his side, Dan reached the heights of what could be accomplished in the sport. Dan's Olympic dream was within his grasp. But God had other plans for his life. Finish Strong is the incredible story of a driven man's pursuit of success and finding purpose when all seems lost. It is the story of a wrestler, struggling not just against his opponents in the ring, but to discover what makes a true champion. The lessons from Dan's life teach us that to finish strong we must make the choice to fight for our dreams and embrace the struggle — and when we do, the winning will take care of itself.
