Arthur Conan Doyle's Sherlock Holmes is among the most famous literary figures of all time. Death Star: Star Wars Legends Oct 10 2020 "THAT'S NO MOON." -Obi-Wan Kenobi The Death Star's name says it all, with bone-chilling accuracy. Its annihilation of the planet Alderaan, at the merciless command of Grand Moff Tarkin, lives in infamy. And its own ultimate destruction, at the hands of Luke Skywalker, is the stuff of legend. But what is the whole story, and who are the players, behind the creation of this world-killing satellite of doom? The near extermination of the Jedi order cleared the way for Palpatine—power-hungry Senator and Sith Lord—to seize control of the Republic, declare himself Emperor, and usher in a

From inception to completion, construction of the unprecedented Death Star is awash in the intrigues, hidden agendas, unexpected revelations, and daring gambits of those involved on every level. Soldiers and slaves, loyalists and Rebels, spies and avengers, the innocent and the evil—all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown. Worse yet, Darth Vader's relentless search for Jax is about to end . . . in triumph. The future looming over the valiant Jedi and his staunch pals promises to be dark and brief, because there's no secret whatsoever about the harshest truth of all: Few indeed are those who tangle with Darth Vader . . . and live to tell the tale. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for Lockdown “Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us.”—Jedi News “Fans of the dark side should rejoice. Lockdown delivers a can't-put-this-down tale of scum and villainy.”—Club Jade “[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis.”—Roqoo Depot

“Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray either genre. It's really quite masterful.”—Big Shiny Robot “Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read.”—Coffee with Kenobi “The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way.”—Knights' Archive “By the fiftieth page, I was hooked. . . . Lockdown is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more Star Wars books from Schreiber.”—Seattle Geekly

Jedi Healer: Star Wars Legends (Medstar, Book II) Nov 22 2021

While the Clone Wars wreak havoc throughout the galaxy, the situation on the far world of Drongar is desperate, as Republic forces engage in a fierce fight with the Separatists. . . . The threatened enemy offensive begins as the Separatists employ legions of droids into their attack. Even with reinforcements, the flesh and blood of the Republic forces are just no match for battle droids' durasteel. Nowhere is this point more painfully clear than in the steaming Jasserak jungle, where the doctors and nurses of a small med unit face an impossible situation. As the dead and wounded start to pile up, surgeons Jos Vandar and Kornell "Uli" Divini know that time is running out. Even the Jedi abilities of Padawan Barriss Offee have been stretched to the limit. Ahead lies a test for Barriss that could very well lead to her death-- and that of countless others. For the conflict is growing--and for this obscure mobile med unit, there's only one resolution. Shocking, bold, unprecedented, it's the only option Jos and his colleagues really have. The unthinkable has become the inevitable. Whether it kills them or not remains to be seen. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? But the Shadowhunting world isn't ready to let her go -- especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the second of the Mortal Instruments, the Soul-Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? Shadow Hunter Jan 13 2021 Don't waste your time with blurbs. I'm telling you, just read the book already. If you're one of those nerds who does way too much research for no reason at all, well here's my sob story. It's starts with a six-pack of iced cold beer... a romantic comedy on repeat... refusing to face reality... And the answer is no, this isn't even about a break-up. It's so much worse than that. SPOILER ALERT time... After a demented vampire murdered my daughter in front of me, I learned that I had a previously unknown shadow magic. I used said magic to destroy the said vampire. Now, instead of practicing and perfecting the power, I use my time to get drunk and wallow in my misery--because I'm a bleeping delight. Sorry for the bleep, but I don't think Amazon allows me to curse in the descriptions. Anywho, there are some crazy happenings in this book. Xander, my annoying best friend, and I get in a tremendous fight. Dakota, a super-sexy girl I just met and who I'm kind of into, takes me on a creepy date. There's Nephil and monsters and magic. It's all very exciting, and it all ramps up to the third and not-so-last installment of the series. Have I rambled long enough? Listen, I barely like getting off the couch to open another beer. What makes you think I want to write out a synopsis? I mean, if you like

sarcastic humor, dark storylines, and charming men like myself, then you won't be able to put this book down. Early readers known as my mother are praising this story, saying, 'Are you serious? You write this kind of crap? You should probably go pray now.' What are you waiting for? Read Shadow Hunter today.
