**12 Rules for Life Jan 31 2020 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER** What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

**A Commentary on Acts Mar 03 2020** Dr. Luke's second volume is a book of 'firsts': the first outpouring of the Holy Spirit, the first converts, the first healing, the first arrest and trial, the first deacons, the first martyr, the first persecution, the first Gentile mission and many more. Nothing can stop the spread of the gospel when the church is on fire! The founding fathers were beset by troubles which, under God's direction, were all turned into triumphs. Study of their exploits will leave you with some disturbing questions. Should our church be like this? Could it be? Above all, do I want it to be?

***Life-Study of Acts* Jan 13 2021** In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

**Acts May 29 2022** For over one hundred years, the International Critical Commentary series has held a special place among works on the Bible. It has sought to bring together all the relevant aids to exegesis — linguistic and textual no less than archaeological, historical, literary and theological—with a level of comprehension and quality of scholarship unmatched by any other series. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. The first paperback editions to be published cover the heart of the New Testament, providing a wealth of information and research in accessible and attractive format.

**The Acts of the Apostles Dec 12 2020** This groundbreaking commentary is the first to provide a detailed social and rhetorical analysis of the book of Acts. Ben Witherington draws on the best new insights from a number of disciplines to provide readers with the benefits of recent innovative ways of analyzing the text of Acts. In addition, Witherington gives detailed attention to major theological and historical issues, including the question of the relationship of Acts to the Pauline letters, the question of early Christian history and how the church grew and developed, the relationship between early Judaism and early Christianity, and the relationship between Christians and the officials of the Roman Empire.

**Hand Me Another Brick Jul 07 2020 Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.**

**Acts Apr 15 2021 Luke wrote the book of Acts as a testament to the explosive spread of the gospel and the rapid growth of the church after Christ's ascension. Beginning with the outpouring of the Holy Spirit on Pentecost when the church was born, he shows how Christ empowered His followers with divine authority to preach the gospel to all nations. Luke also shows how, even in the midst of persecution and opposition, the early believers were able to rely on God's spirit for direction and continue with the work He had given them to do. God showed His infinite power regardless of the circumstances, just as He continues to do today. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.**

**The Book of Acts Jan 01 2020 ". . . undertaken to provide earnest students of the New Testament with an exposition that is thorough and abreast of modern scholarship and at the same time loyal to the Scriptures as the infallible Word of God." "This statement reflects the underlying purpose of The New International Commentary on the New Testament. Begun in the late 1940s by an international team of New Testament scholars, the NICNT series has become recognized by pastors, students, and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition. While based on a thorough study of the Greek text, the commentary introductions and expositions contain a minimum of Greek references. The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature. More technical aspects — such as grammatical, textual, and historical problems — are dealt with in footnotes, special notes, and appendixes. Under the general editorship of three outstanding New Testament scholars — first Ned Stonehouse (Westminster Theological Seminary, Philadelphia), then F. F. Bruce (University of Manchester, England), and now Gordon D. Fee (Regent College, Vancouver, British Columbia) — the NICNT series has continued to develop over the years. In order to keep the commentary "new" and conversant with contemporary scholarship, the NICNT volumes have been — and will be — revised or replaced as necessary. The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text, and they also exhibit concern for the theology and application of the text. As the NICNT series is ever brought up to date, it will continue to find ongoing usefulness as an established guide to the New Testament text.**

***Commentary on Isaiah*** Jul 19 2021 Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers. But in addition to his sermons, he regularly reading a Bible passage before his message and gave a verse-by-verse exposition, rich in gospel insight and wisdom for the Christian life. === Sample: Isaiah 60:1-5 === Isaiah 60 This is a chapter full of good news, a prophecy of the bright days that are yet to come to this dark world. These dull days are not to last for ever. The reign of wickedness will come to an end, and earth shall have the bright sunlight of Jehovah's presence. The words are addressed to the Church of God—it little matters whether to the Jewish or the Gentile Church; for, now, they are all one in Christ, and there is no distinction in the message to both Jews and Gentiles. 1. Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee. The Church is like the moon, which shines with borrowed light. When God shines upon the Church, then the Church herself shines by reflecting his light. The glory of Jehovah is her glory, if that be withdrawn, she is dark indeed; but when that shines into her, and through her, then her brightness is great indeed. 2. For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee. We have had abundant proof of the darkness, and of the grossness of that darkness, for these many centuries; now we are to look—and I trust that we can already see it in part—for the arising of the Swan of righteousness, first upon the Church, and then upon the whole world. 3. And the Gentiles

shall come to thy light, and kings to the brightness of thy rising. There is nothing that breaks the darkness except the light from God's face; and when that falls upon the Church, then the Church straightway begins to shine in the midst of the darkness, and multitudes come to the light, and even the great ones of the earth, the kings, come to the brightness of her rising. 4. Lift up thine eyes round about, and see: all they gather themselves together, they come to thee: thy sons shall come from far, and thy daughters shall be nursed at thy side. There is no sign here of the Church of God being deserted, on the contrary, she shall become, through the grace of God, the center of attraction. Men shall come from distant lands to her, however far removed they were, they shall still come: "thy sons shall come from far." She shall also be increased by the accession of those near at hand: "and thy daughters shall be nursed at thy side." 5. Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; First, the blessing shall seem too great to be real, and the Church shall tremble with fear; but, afterwards, she shall believe in it, and rejoice in it, and so her heart shall be enlarged. because the abundance of the sea shall be converted unto thee, The sailors shall come to Christ in great numbers; and when they are converted, they will be the best of missionaries. Each ship shall be a floating Bethel, and every port at which they touch shall be the gladder for the good news they will have to tell: "The abundance of the sea shall be converted unto thee,"— the forces of the Gentiles shall come unto thee. The soldiers, as well as the sailors, shall enter the service of the King of kings. Oh, what a happy day it will be when every soldier shall have enlisted beneath the banner of peace! Then they will be able to fight the good fight of faith every day, and to be the means of saving multitudes of precious souls. According to this verse, great importance is attached to the conversion of sailors and soldiers; God grant that some of us may live to see this prophecy fulfilled!
