The Fearless Baker Feb 01 2020 One of Food52's most popular columnists and a New York Times bestselling author, top food stylist Erin Jeanne McDowell shares her baking secrets and the science behind them When people see Erin McDowell frost a perfect layer cake, weave a lattice pie crust, or pull a rich loaf of brioche from the oven, they often act as though she's performed culinary magic. "I'm not a baker," they tell her. But in fact, expert baking is not at all unattainable, nor is it as inflexible as most people assume. The key to freedom is to understand the principles behind how ingredients interact and how classic methods work. Once these concepts are mastered, favorite recipes can be altered and personalized almost endlessly. With the assurance born out of years of experience, McDowell shares insider tips and techniques that make desserts taste as good as they look. With recipes from flourless cocoa cookies and strawberry-filled popovers (easy), through apple cider pie and black-bottom crème brûlée (medium), to a statuesque layer cake crowned with caramelized popcorn (difficult), and "Why It Works," "Pro Tip," and make-ahead sidebars with each recipe, this exciting, carefully

curated collection will appeal to beginning and experienced bakers alike.

Edward MacDowell Apr 16 2021 This is not merely an appreciation of Edward MacDowell as a man and a composer, but a study of the influences and natural endowments that combined to produce his style, a comparison of his work with that of others who achieved fame in other branches of the fine arts, all of which he felt were closely allied and supplemental, and a glance at his ideals and their evolution at Peterboro. Most of his compositions are written around some poetic idea and are so suggestive and appealing to the imagination that in studying them the native poetic fancy is easily aroused; but the full effect is lost to the casual listener who is not familiar with the theme. The accompanying poems are interpretations of some of his best-known piano numbers, based upon the briefly indicated poetic idea upon which they are founded, reinforced by a careful intellectual study of each composition and its appeal to the individual creative faculty of the author.

The Lost Book of Mala R. Aug 01 2022 Three very different women, each trying to reconcile her dreams with reality, are drawn together by a hypnotic voice from the past. In a once-grand Southern California neighborhood, Linda, a New York City transplant, is panicking over the disappearance of her precocious ten-year-old stepdaughter. Christine, who has struggled to get pregnant for years, finds herself expecting a baby—just as her husband is accused of murder. And Audrey, who's always played it safe because of her family's history of bad luck, takes a romantic risk and suddenly finds herself facing a disaster of her own.

When an old journal surfaces at a neighbor's tag sale, the women are inexorably drawn into the life of Mala Rinehart, an itinerant Romany woman who wrote down spells and predictions in a cryptic, slanting hand. As the three women feel the pull from across sixty intervening years, they vow to discover what became of Mala. For through the worn pages, their happiness has intertwined with hers, their futures spelled out in her chants and recipes. And as they unravel the mystery of Mala's origins, their lives transform in ways they never could have expected.

Turning Tables Nov 04 2022 Downsized from her boutique firm, Erin panics as she watches her career ambitions plunge into free fall. Why else would the savvy twenty-eight-year-old take a job as...a waitress? A favorable word from a family friend gets Erin in the door at Roulette, Madison Avenue's newest exclusive haunt and home to a celebrity chef with a talent for cutting-edge cuisine and spotting the weakest link. Life behind the apron is even worse than she imagined—from mangling orders to overimbibing at a wine seminar, Erin finds herself in hot water with the egomaniacal chef and the owner's outrageous wife. And then there's the dismissive, surly clientele, all but Daniel Fratelli, a flirtatious TV news producer. Is Daniel really as down-to-earth as he seems? Or will he eventually succumb to one of the many glamorous uptown girls in his own social circle? Determined to prove that she won't crack under pressure, Erin begins to master the art of waitressing—becoming part shrink, part slave, and part foie gras hustler. But her continuing series of disastrous missteps quickly sends her right back to the bottom of the food chain. Forced to prove her

commitment by organizing the storage area and alphabetizing produce after hours, Erin wonders if she'll ever make it back to the real world. [If You Lived Here, You'd Be Home Now](#) May 30 2022 From the well-loved author of *Knitting Under the Influence* and *The Smart One* and the *Pretty One* comes a new novel about a young single mother trying to move out of her family's shadow. Rickie left home a long time ago—so how is it that at the age of twenty-five, she's living with her parents again, and sleeping in the bedroom of her childhood home? At least one thing has changed since high school: She now has a very sweet but frequently challenging son named Noah, who attends the same tony private LA school she herself attended. Rickie fit in fine when she was a student, but now her age and tattoos make her stand out from all the blond Stepford moms, who are desperate to know why someone so young—and so unmarried—has a kid in first grade. Already on the defensive, Rickie goes into full mother-tigress mode when her small and unathletic son tells her that the gym teacher is out to get him. She storms the principal's office, only to discover that Andrew Fulton, the coach, is no dumb jock. As her friendship with Andrew develops, Rickie finds herself questioning her assumptions—about motherhood, being a grown-up, and falling in love.

[The Wild Rose](#) Jul 08 2020 The third book in the sweeping, multi-generational saga that began with *The Tea Rose*, *The Wild Rose* is a "lush story of epic proportions" (Romantic Times Book Review). The *Wild Rose* is a part of the sweeping, multi-generational saga that began with *The Tea Rose* and continued with *The Winter Rose*. It is London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and explorers are pushing the limits of endurance in the most forbidding corners of the earth. Into this volatile time, Jennifer Donnelly places her vivid and memorable characters: Willa Alden, a passionate mountain climber who lost her leg while summiting Kilimanjaro with Seamus Finnegan, and who will never forgive him for saving her life; Seamus Finnegan, a polar explorer who tries to forget Willa as he marries a beautiful young schoolteacher back home in England; Max von Brandt, a handsome German sophisticate who courts high society women, but has a secret agenda in wartime London. Many other beloved characters from *The Winter Rose* continue their adventures in *The Wild Rose* as well. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, *The Wild Rose* provides a highly satisfying conclusion to an unforgettable trilogy.

[The Lost Boys of Mr Dickens](#) Sep 02 2022 As engrossing as a novel, this story of the death of childhood in the cradle of the world's mightiest empire, and the atmospheric tale of crime and punishment leading to a sensational murder trial is from another time but implicitly raises questions which remain with us today. Steve Harris' book humanises a most bizarre social experiment and brings out its grotesqueness in dramatic form. The tale is so comprehensively and authentically written that it is a service to Australian and British readers.—Tom Keneally, winner of the Booker Prize and Miles Franklin Award
