Severance Aug 25 2019 Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring." —Michael Schaub, NPR.org "A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*." --Estelle Tang, Elle **NAMED A BEST BOOK OF THE YEAR BY: NPR * The New Yorker ("Books We Loved") * Elle * Marie Claire * Amazon Editors * The Paris Review (Staff Favorites) * Refinery29 * Bustle * BuzzFeed * BookPage * Bookish * Mental Floss * Chicago Review of Books * HuffPost * Electric Literature * A.V. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

The Dead And The Gone Aug 06 2020 Best-selling author, Susan Beth Pfeffer, delivers a riveting companion to *Life As We Knew It* in this enthralling tale that follows seventeen-year-old Alex Morales as he fights to survive in the aftermath of apocalyptic events in New York City. Alex Morales is an average high schooler focused on his after-school job, helping his dad out with building superintendent responsibilities, and getting good grades so he can make it into an Ivy League college. But when the moon alters its gravitational pull and catastrophic events ensue, everything changes. Now, he has to care for his younger sisters, decide whether it's ethical to rob the dead, and keep the hope alive that their lost parents will return. Bone-chilling and harrowing, Susan Beth Pfeffer investigates what it takes to survive when the odds are stacked against you in this captivating story about sacrifice and humanity.

My Side of the Mountain Jun 23 2019 "Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gribble is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Surviving High School Oct 08 2020 "Lele is a bulls-eye target at her new school in Miami until, overnight, her digital fame catapults the girl with cheerleader looks, a seriously silly personality, and a self-deprecating funny bone into the popular crowd. Now she's facing a whole new set of challenges--the relentless drama, the ruthless cliques, the unexpected internet celebrity--all while trying to keep her grades up and make her parents proud"--

The Enemy Jan 23 2022 In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over--the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

The Dead Moms Club Feb 21 2022 Kate Spencer lost her mom to cancer when she was 27. In *The Dead Moms Club*, she walks readers through her experience of stumbling through grief and loss, and helps them to get through it, too. This isn't a weepy, sentimental story, but rather a frank, up-front look at what it means to go through gruesome grief and come out on the other side. An empathetic read, *The Dead Moms Club* covers how losing her mother changed nearly everything in her life: both men and women readers who have lost parents or experienced grief of this magnitude will be comforted and consoled. Spencer even concludes each chapter with a cheeky but useful tip for readers (like the "It's None of Your Business Card" to copy and hand out to nosy strangers asking about your passed loved one).

Dead Drunk II Aug 18 2021 What happens when a bunch of thirty-year-old degenerates survive an apocalyptic zombie outbreak? They get into even more trouble in the aftermath. Duh. That's right, Charlie Campbell and several of his loser friends have escaped a nightmare Chicago fraught with zombies and an occupying army, only to find the wild-lands beyond aren't any safer. Looking for sanctuary, this group of low-skilled and untrained anti-heroes must fight infected mobs, nerdy dads, tunnel dwelling freaks, special

forces, and each other to survive. Facing death at every turn, the gang must make friends, find allies, adapt to this mad new world, and do it in a hurry. Will they survive? Will they find a cure? Will they drive each other crazy? But most importantly, will they run out of beer? If you liked the zombie mayhem, rowdy comedy, and over-the-top storytelling of the original *Dead Drunk*, you will be even more blown away by *Dead Drunk II: Dawn of the Deadbeats*. So adjust your trucker hat, light that generic cigarette, grab a cold one from the fridge, and let the shenanigans begin.

Dead Girls Sep 18 2021 A NEW YORK TIMES NOTABLE BOOK OF 2018 An Edgar Award nominee for best critical / biographical Best of 2018 according to Kirkus, The Boston Globe, The New York Times, The Portland Mercury, Bustle, Thrillist, and Electric Lit A New York Times Editor's Choice, a best of summer 2018 according to Bitch Magazine, Harpers Bazaar, The Millions, Esquire, Refinery29, Nylon, PopSugar, The Chicago Tribune, Book Riot, and CrimeReads In this poignant collection, Alice Bolin examines iconic American works from the essays of Joan Didion and James Baldwin to *Twin Peaks*, Britney Spears, and *Serial*, illuminating the widespread obsession with women who are abused, killed, and disenfranchised, and whose bodies (dead and alive) are used as props to bolster men's stories. Smart and accessible, thoughtful and heartfelt, Bolin investigates the implications of our cultural fixations, and her own role as a consumer and creator. Bolin chronicles her life in Los Angeles, dissects the Noir, revisits her own coming of age, and analyzes stories of witches and werewolves, both appreciating and challenging the narratives we construct and absorb every day. *Dead Girls* begins by exploring the trope of dead women in fiction, and ends by interrogating the more complex dilemma of living women – both the persistent injustices they suffer and the oppression that white women help perpetrate. Reminiscent of the piercing insight of Rebecca Solnit and the critical skill of Hilton Als, Bolin constructs a sharp, perceptive, and revelatory dialogue on the portrayal of women in media and their roles in our culture.

Left for Dead Jun 27 2022 While investigating the murder of a suspected serial killer in the Lake Tahoe basin, Detective Michael Garrett is lead back to the small desert border town he once called home, where he uncovers a violent drug cartel that has begun expansion into the United States, and discovers the frightening reality that he has now placed not only himself, but his family and others in harms way. Driven by tourism, the last thing the city of Stateline, Nevada wanted to do was announce the presence of a serial killer. Driven by the laws of nature, the last thing Rosa Jimenez wanted was to become his next victim. Called to assist with a gruesome finding, Detective Garrett finds himself entrenched in an investigation he can't walk away from. Recognizing Rosa from his past, he was resolute that justice be served. As the investigation leads Garrett south, he seeks the assistance of an old friend and current Vice-Detective with the LAPD, David Ross. When Ross is unable to open doors in the Los Angeles area, Garrett realizes his next stop is his hometown on the Mexican border where he stumbles on a link to Los Zetas, a Drug Cartel that has formed an alliance with the Mexican Mafia. Used to operating with impunity in Mexico, the cartel targets Garrett and his family as his investigation begins to threaten their business. In a daring attempt to make things right, the detectives cross the border to confront the man directing the cartel henchmen.

A Pound of Flesh May 15 2021 A Pound of Flesh, Book 4 in the *Surviving the Zombie Apocalypse* series, picks up the day after "In Harm's Way: Surviving the Zombie Apocalypse" left off. *Outbreak - Day 1* Like a fragile house of cards in a hurricane, Presidents, Premiers, entire governments and their ruling bodies disappeared instantly. Some had ensconced themselves in deep underground bunkers or remained holed up in fortified strongholds, but history would tell that most had been swallowed up by the dead - never to be heard from again. **WARNING - SPOILERS AHEAD** *Outbreak - Day 9* Reeling from a surprise attack, and with two fires burning out of control, Schriever AFB goes on high alert. Former CDC Scientist Sylvester Fuentes, the apparent target, is killed along with his assistant Jessica Hanson, Brook's brother Carl and a handful of others. Destroyed in the conflagration was the Omega antiserum Fuentes had been working to perfect, and just hours prior had tested successfully on one of the newly infected. Meanwhile, returning prematurely from a mission to set off two nukes in the path of an advancing horde of living dead numbering several hundred thousand strong, and with his Delta Force commander Mike Desantos infected and dying from the Omega virus, Cade Grayson was forced to do something no friend should have to. Then, shortly after taking Desantos's life, and while still cradling the hard charging operator's corpse, the low rumble of the two nuclear detonations signaling the mission's likely success rolled over Schriever. Immediately, Delta Force Captain Cade Grayson begins to formulate a plan that will send him hurtling on a collision course with the parties responsible for the terrorist attack. Six hundred miles away in Eden, Utah, Duncan Winters, Vietnam-era

aviator, hopes to recuperate and ride out the apocalypse in his survivalist/ Domsday prepper brother Logan's compound. In Jackson Hole, Wyoming, the New American capitol and fiefdom of Robert Christian, well-connected billionaire and self-appointed President, Daymon Bush, former BLM firefighter, bides his time with one burning desire: to find his girlfriend Heidi even if it ultimately kills him. Will Cade successfully lobby President Clay and embark on a new mission in order to extract a pound of flesh for Carl and Mike Desantos? Will Brook Grayson and her eleven-year-old daughter Raven continue to temper themselves against the new dangers inside and outside the wire at Schriever? Will Daymon accomplish his goal and survive Jackson Hole? Can the much older Duncan find a way to fit in with his younger brother Logan's prepper friends? Will newly promoted General Ronnie Gaines fit in with the late Commander's fractured Delta team? Can the human race find a way to survive the legions of migrating zombies?

The Book Thief Jan 11 2021 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

What Strange Paradise Dec 30 2019 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • From the widely acclaimed, bestselling author of *American War*—a beautifully written, unrelentingly dramatic, and profoundly moving novel that looks at the global refugee crisis through the eyes of a child. "Told from the point of view of two children, on the ground and at sea, the story so astutely unpacks the us-versus-them dynamics of our divided world that it deserves to be an instant classic." —The New York Times Book Review More bodies have washed up on the shores of a small island. Another overfilled, ill-equipped, dilapidated ship has sunk under the weight of its too many passengers: Syrians, Ethiopians, Egyptians, Lebanese, Palestinians, all of them desperate to escape untenable lives back in their homelands. But miraculously, someone has survived the passage: nine-year-old Amir, a Syrian boy who is soon rescued by Vänna. Vänna is a teenage girl, who, despite being native to the island, experiences her own sense of homelessness in a place and among people she has come to disdain. And though Vänna and Amir are complete strangers, though they don't speak a common language, Vänna is determined to do whatever it takes to save the boy. In alternating chapters, we learn about Amir's life and how he came to be on the boat, and we follow him and the girl as they make their way toward safety. *What Strange Paradise* is the story of two children finding their way through a hostile world. But it is also a story of empathy and indifference, of hope and despair—and about the way each of those things can blind us to reality.

City of the Dead Dec 10 2020 The sequel to one of those most popular zombies of all time in a new, uncut, author's preferred edition! In this sequel to *THE RISING*, cities are overrun with legions of the undead, intent on destroying what's left of the living. Trapped inside a fortified skyscraper, a handful of survivors prepare to make their last stand against an unstoppable, merciless enemy. With every hour their chances diminish and their numbers dwindle, while the ranks of the dead continue to rise. Because sooner or later, everything dies. And then it comes back, ready to kill. Deadite Press is proud to present this uncut, Author's Preferred Edition of Brian Keene's seminal *CITY OF THE DEAD*

Against Memoir Jun 03 2020 The PEN Award-winning essay collection about queer lives: “Gorgeously punk-rock rebellious.”—The A.V. Club The razor-sharp but damaged Valerie Solanas; a doomed lesbian biker gang; recovering alcoholics; and teenagers barely surviving at an ice creamery: these are some of the larger-than-life, yet all-too-human figures populating America's fringes. Rife with never-ending fights and failures, theirs are the stories we too often try to forget. But in the process of excavating and documenting these queer lives, Michelle Tea also reveals herself in unexpected and heartbreaking ways. Delivered with her signature honesty and dark humor, this is the first-ever collection of journalistic writing by the author of *How to Grow Up* and *Valencia*. As she blurs the line between telling other people's stories and her own, she

turns an investigative eye to the genre that's nurtured her entire career—memoir—and considers the price that art demands be paid from life. “Eclectic and wide-ranging...A palpable pain animates many of these essays, as well as a raucous joy and bright curiosity.” —The New York Times “Queer counterculture beats loud and proud in Tea’s stellar collection.” —Publishers Weekly (starred) “The best essay collection I've read in years.”—The New Republic Winner of the PEN/Diamonstein-Spielvogel Award for the Art of the Essay

Soldier On Jul 05 2020 Cade Grayson, ex Delta Force operator narrowly escaped Portland, Oregon ahead of the massive exodus. He eventually ended up leading a group of survivors through the western high desert, losing five of them violently along the way. After battling zombies and humans across the west, and still unsure of the well being or whereabouts of his family, Cade soldiers on alone, eastbound, locked and loaded. *Soldier On* is Book Two in the *Surviving the Zombie Apocalypse* series, picking up on day four where “Trudge: Surviving the Zombie Apocalypse” left off. Day one began the same as any other Saturday in Portland, Oregon. After months of rain people were out and about enjoying the sights and sounds of summer. Cade Grayson dropped his wife Brook and daughter Raven off at Portland International Airport. They were bound for Myrtle Beach, South Carolina to visit Brook's parents. On that eye opening first day, Cade's introduction to the new world was hard to wrap his mind around. He was forced, in self defense, to kill his infected neighbors Ted and Lisa. Pioneer Courthouse Square, nestled in the center of downtown Portland, was but one of the many flashpoints of a viral outbreak in the United States. By evening all of the hospitals in and around Portland were ravaged and teeming with ravenous walking dead. There was no triage, no way to cure them and by evening, for those unfortunate enough to be in a major metropolitan area, no way to escape them. Day two saw Washington D.C. fall to the reanimated hordes in search of human flesh. After declaring martial law and calling back all of the soldiers, airmen and marines from overseas, President Bernard Otero was never heard from again. Former Speaker of the House and now President by succession Valerie Clay is saddled with the seemingly insurmountable task of leading the country back from the brink of what may prove to be mankind's Extinction Level Event. Her first order of business is to set up a safe haven in Colorado Springs as the new Capitol of the United States. Delta Force commander Mike Desantos embarks on a new mission with his small team of Tier-One operators. They must rescue critical personnel from the Center for Disease Control in Atlanta, Georgia and retrieve any useful information they have gleaned concerning the Omega virus. Cade Grayson, ex Delta Force operator narrowly escaped Portland, Oregon ahead of the massive exodus. He eventually ended up leading a group of survivors through the western high desert, losing five of them violently along the way. After battling zombies and humans across the west, and still unsure of the well being or whereabouts of his family, Cade linked up with retiree Harry Conrad and Vietnam-era aviator Duncan Winters in Draper, Utah at Camp Williams, garrison for the 19th Special Forces Group. While suffering a night of fitful sleep trying to block out the moans of the living dead, Cade made the decision to leave the base and soldier on alone, resuming his cross country search for his loved ones. Can Valerie Clay bring the United States back from the brink and find a way to deal with the millions of undead? Will Cade Grayson survive long enough to find his wife and daughter... still alive? Can Mike Desantos complete his mission to the CDC and return to Colorado Springs in time to attend the birth of his first boy? Or will the insatiable dead succeed in breaking the indomitable spirit of mankind...?

Salvage the Bones Jul 25 2019 A hurricane is building over the Gulf of Mexico, threatening the coastal town of Bois Sauvage, Mississippi, and Esch's father is growing concerned. He's a hard drinker, largely absent, and it isn't often he worries about the family. Esch and her three brothers are stocking up on food, but there isn't much to save. Lately, Esch can't keep down what food she gets; at fifteen, she has just realized that she's pregnant. Her brother Skeetah is sneaking scraps for his prized pit bull's new litter, dying one by one. Meanwhile, brothers Randall and Junior try to stake their claim in a family long on child's play and short on parenting. As the twelve days that make up the novel's framework yield to a dramatic conclusion, this unforgettable family - motherless children sacrificing for one another as they can, protecting and nurturing where love is scarce - pulls itself up to face another day.

The Summer of Letting Go Sep 26 2019 Just when everything seems to be going wrong, hope—and love—can appear in the most unexpected places. Summer has begun, the beach beckons—and Francesca Schnell is going nowhere. Four years ago, Francesca’s little brother, Simon, drowned, and Francesca’s the one who should have been watching. Now Francesca is about to turn sixteen, but guilt keeps her stuck in the past. Meanwhile, her best friend, Lisette, is moving on—most recently with the boy Francesca wants but

can't have. At loose ends, Francesca trails her father, who may be having an affair, to the local country club. There she meets four-year-old Frankie Sky, a little boy who bears an almost eerie resemblance to Simon, and Francesca begins to wonder if it's possible Frankie could be his reincarnation. Knowing Frankie leads Francesca to places she thought she'd never dare to go—and it begins to seem possible to forgive herself, grow up, and even fall in love, whether or not she solves the riddle of Frankie Sky.

Surviving the Angel of Death Nov 08 2020 Eva Mozes Kor was just ten years old when she arrived in Auschwitz. While her parents and two older sisters were taken to the gas chambers, she and her twin, Miriam, were herded into the care of the man known as the Angel of Death, Dr. Josef Mengele. Subjected to sadistic medical experiments, she was forced to fight daily for her and her twin's survival. In this incredible true story written for young adults, readers learn of a child's endurance and survival in the face of truly extraordinary evil and Eva's recovery and her controversial but often misunderstood decision to publicly forgive the Nazis. Readers will learn of how she triumphed over unfathomable pain and suffering into a life-long work for peace, human rights, and Holocaust education. The new edition provides interesting details and important context to the events related in the original story. A new Afterword by publisher Peggy Porter Tierney offers a richer portrayal of Eva as a person, the truth behind the controversies, and the eventful last ten years of her life.

District Nov 28 2019 *District: Surviving the Zombie Apocalypse* "A gut-wrenching, hard hitting series that will leave you breathless." John O'Brien - Best-selling author of the New World series "Shawn Chesser is a master of the zombie genre." Mark Tufo - Best-selling author of the *Zombie Fallout* series "Through a combination of tight, well-structured plots and fully realized characters, Chesser has emerged as one of the top indie writers in the business." Joe McKinney - Two-time Bram Stoker Award winner and best-selling author of the *Dead World* series *District: Surviving the Zombie Apocalypse* Edited by Monique Happy Editorial Services 140,000 words *Outbreak - Day 1* Presidents, premiers, entire governments disappeared instantly, like a fragile house of cards in a hurricane. Some hid deep underground or holed up in fortified strongholds, but most were swallowed up by the dead, never to be heard from again. Cade Grayson-husband, father, patriot-discovered two undead enemy soldiers on American soil, and soon the official call to duty came directly from the President herself in a transmission beamed by military satellite to Cade's refuge in rural Utah: It was time to take up arms in defense of his country once again. Valerie Clay's hard-to-fathom video footage, showing thousands of enemy soldiers establishing beachheads all along the West Coast, made it impossible to resist. He was a former U.S. Army Delta Operator and he had to come to the aid of his dying country. If he and his team failed, it would leave America more vulnerable than ever - not only to the zombie scourge roaming the countryside, but to her enemies both foreign and domestic. While Cade is away, the Eden survivors learn a devastating secret: The dead have recovered from the effects of an early season snowstorm. They are everywhere. Worse, someone capable of unspeakable violence has been systematically stripping nearby towns of everything worth taking. Will Cade and his team survive their mission to halt the enemy's push inland? Will the Eden survivors find the supplies they need for the upcoming long and brutal winter? And will they survive (are they prepared to survive) an encounter with those responsible for the grisly crimes against humanity? Discover who has what it takes to survive the *Zombie Apocalypse* ... and who doesn't.

Surviving the Dead Jul 29 2022 Now a highly acclaimed and successful movie 'The Dead', this blow-by-blow account of it's making by award-winning film director Howard J Ford takes you on a harrowing but often hilarious journey from suburban England across Africa as the cast and crew face more horror than any fictional script could possibly contain, including near death from Malaria, knife-point muggings, police corruption, tornado's, real-life cannibals and sacrificial killings! Illustrated with many behind-the-scenes photos from the shoot and packed with gleefully cynical insights on the shady film business itself, it's a compelling true story of survival whether you're a film buff or not! About the Author Howard J Ford is an award-winning British film director who's most recent movie 'The Dead' became one of America's best selling Blue Ray & DVD genre films of 2012 following its worldwide theatrical release. Howard began making short films aged just 13 and directed his first feature film at 21. He has also directed well over 150 TV commercials for many high profile clients and has been a guest speaker at numerous venue's across the world from festivals, film schools and even Harvard.

I Should Be Dead Apr 25 2022 From Bob Beckel, the popular co-host of "The Five" on Fox News Channel, a deeply moving, redemptive memoir about his life as a political operative and diplomat, his long struggle

with alcohol and drugs, and his unlikely journey to finding faith. Growing up poor in an abusive home, Bob Beckel learned to be a survivor: to avoid conflict, mask his feelings, and to lie--all skills that served him well in Washington, where he would become the youngest-ever Deputy Assistant Secretary of State and manage Walter Mondale's 1984 presidential campaign. But Beckel was living a double life. On January 20, 2001--George W. Bush's first Inauguration Day--he hit rock bottom, waking up in the psych ward. Written with captivating honesty, Beckel chronicles how his addictions nearly killed him until he found help in an unexpected ally, conservative Cal Thomas, who helped him find faith, get sober, and get his life back on track.

Definitely Dead Apr 13 2021 Supernaturally gifted cocktail waitress Sookie Stackhouse heads for New Orleans, where she is forced to contend with her own family's dark legacy and a variety of potentially lethal characters.

Left for Dead Apr 01 2020 After being left for dead as the victim of a hit and run, cyclist Mike "Mikey B." Bardellini was protected by good Samaritans until first responders arrived. For the next 24 hours his life hung in the balance. This is the story about Mikey B's arduous yet miraculous recovery from a hit and run accident that caused severe head trauma resulting in the loss of a part of his skull, brain surgery, a coma and partial paralysis. It is the story of a mother's unwavering belief in the power of prayer and the medical care that saved him. It's also a story about the friends and family who supported him during his ten-year continuing recovery. Above all, this is the story about Mike's will to live, to thrive and to embrace his new life while managing the invisible disability of a traumatic brain injury. ****REVIEW****"Left for Dead is a compelling account of Mike Bardellini's tragic, yet life affirming story that will speak to fellow brain injury survivors and their families and offer them hope for recovery to a life after brain injury. I believe it will offer insight and awareness of traumatic brain injury to all others, to plant the seeds of kindness, compassion, empathy that survivors and their families need from humankind."~Sandra A. Madden, author of Hearts All Around Us and contributing author to Chicken Soup for the Soul: Recovering from Traumatic Brain Injuries: 101 Stories of Hope, Healing, and Hard Work

Dead Drunk May 27 2022 Charlie Campbell was your average, balding, thirty-year-old alcoholic with a dead-end job and a penchant for shambling through life one mistake after another. However, none of that mattered following the sudden arrival of a mysterious sickness that brought with it infected mobs of zombie-like creatures thirsting for the flesh of the living. Trapped in a Chicago apartment the morning after a raucous bachelor party, Charlie and his old fraternity buddies must battle for survival against the cannibalistic horde, a military invasion and their own rampant stupidity. With supplies, common sense and brain cells dwindling by the hour, the motley crew - including a racist cop, a Sri Lankan used car salesman, a stoner landlord and a pet raccoon - must pull out all the stops to avoid joining the ranks of the dead. If you like zombies, action and humor, crack a beer, pull up a barstool, and prepare for one wild ride.

The Living Dead Jun 15 2021 "A horror landmark and a work of gory genius."—Joe Hill, New York Times bestselling author of *The Fireman* New York Times bestselling author Daniel Kraus completes George A. Romero's brand-new masterpiece of zombie horror, the massive novel left unfinished at Romero's death! George A. Romero invented the modern zombie with *Night of the Living Dead*, creating a monster that has become a key part of pop culture. Romero often felt hemmed in by the constraints of film-making. To tell the story of the rise of the zombies and the fall of humanity the way it should be told, Romero turned to fiction. Unfortunately, when he died, the story was incomplete. Enter Daniel Kraus, co-author, with Guillermo del Toro, of the New York Times bestseller *The Shape of Water* (based on the Academy Award-winning movie) and *Trollhunters* (which became an Emmy Award-winning series), and author of *The Death and Life of Zebulon Finch* (an Entertainment Weekly Top 10 Book of the Year). A lifelong Romero fan, Kraus was honored to be asked, by Romero's widow, to complete *The Living Dead*. Set in the present day, *The Living Dead* is an entirely new tale, the story of the zombie plague as George A. Romero wanted to tell it. It begins with one body. A pair of medical examiners find themselves battling a dead man who won't stay dead. It

spreads quickly. In a Midwestern trailer park, a Black teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US aircraft carrier, living sailors hide from dead ones while a fanatic makes a new religion out of death. At a cable news station, a surviving anchor keeps broadcasting while his undead colleagues try to devour him. In DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

No Easy Hope Sep 30 2022 Eric Riordan was once a wealthy man leading a comfortable, easy life. Until one day Gabriel--his oldest friend, a Marine Corps veteran, and a former mercenary--told him how the world was going to end. He did his best to prepare. He thought he was ready for anything. He was wrong. As the dead rise up to devour the living, one man finds himself struggling to survive in the ruins of a shattered world. Alone, isolated, and facing starvation, his only chance is to flee to the Appalachians and join forces with Gabriel. But the journey will not be easy, and along the way his humanity, his will to live, and his very soul will be tested. This is the beginning. This is his story.

Life as We Knew it Mar 13 2021 Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

The Killing Line Mar 25 2022 Gabriel Garrett has faced many challenges. The battlefields of Iraq and Afghanistan, the CIA, several years as a mercenary, and the end of the world among them. But now he faces a challenge none of his training, expertise, or combat experience have prepared him for--fatherhood. With a new family and new responsibilities, Gabriel decides to leave Hollow Rock and start over in the growing city of Colorado Springs. It is here he believes he can finally leave behind the violence that has always followed him and begin a new chapter in his life. But to get there, he will have to cross the vastness of the American plains, and in a world where the dead walk the earth, no journey is ever easy. When his caravan is ransacked, Gabriel, his stalwart friends Eric Riordan and Caleb Hicks, and his new family are forced to endure the dangers of the post-Outbreak world on their own. It is here they will face marauders, criminal organizations, corrupt government officials, starvation, and every other danger the wastelands can throw at them. To survive, they will have to rely on all their courage, resourcefulness, and will to fight. And most importantly, they will have to rely on each other.

The Church of the Dead May 03 2020 Tells the story of the founding of American Christianity against the backdrop of devastating disease, and of the Indigenous survivors who kept the nascent faith alive. Many scholars have come to think of the European Christian mission to the Americas as an inevitable success. But in its early period it was very much on the brink of failure. In 1576, Indigenous Mexican communities suffered a catastrophic epidemic that took almost two million lives and simultaneously left the colonial church in ruins. In the crisis and its immediate aftermath, Spanish missionaries and surviving pueblos de indios held radically different visions for the future of Christianity in the Americas. *The Church of the Dead* offers a counter-history of American Christian origins. It centers the power of Indigenous Mexicans, showing how their Catholic faith remained intact even in the face of the faltering religious fervor of Spanish missionaries. While the Europeans grappled with their failure to stem the tide of death, succumbing to despair, Indigenous survivors worked to reconstruct the church. They reasserted ancestral territories as sovereign, with Indigenous Catholic states rivaling the jurisdiction of the diocese and the power of friars and bishops. Christianity in the Americas today is thus not the creation of missionaries, but rather of Indigenous Catholic survivors of the colonial mortadad, the founding condition of American Christianity. Weaving together archival study, visual culture, church history, theology, and the history of medicine, Jennifer Schepher Hughes provides us with a fascinating reexamination of North American religious history that is at once groundbreaking and lyrical.

governments disappeared instantly, like a fragile house of cards in a hurricane. Some hid deep underground or holed up in fortified strongholds, but most were swallowed up by the dead, never to be heard from again. Created in a biosafety level 4 lab in Wuhan, China, a bioweapon meant to sicken and quickly kill an enemy population—leaving intact infrastructure, resources, and vast swaths of fertile farmland—instead causes the infected to die and return as mindless, flesh-eating zombies. When the bioweapon escapes the BSL-4 lab and all efforts to contain its rapid spread within Hubei province fail, the Chinese Communist Party leadership dispatches agents to the United States with one mission: to level the playing field by seeding an unsuspecting American population with what will eventually be known worldwide as the Omega virus. As the zombie scourge spreads like wildfire, the People's Liberation Army takes advantage, landing sizeable ground forces on America's shores. Now, nearly a year later, having lost many loved ones and brothers in arms to Omega, Captain Cade Grayson—father, patriot, Delta Force commander—has one goal in life: to push the communist invaders back into the sea. When the PLA's purported Spring Offensive fails to materialize, Cade leads his Pale Riders on a mission to Idaho, where he finds clues that lead him to believe the CCP leadership has a sinister new plan in the works. A plan whose game-changing main component will allow the enemy to quickly finish the job Omega started. To confirm the validity of the evidence, Cade needs to interrogate a recently apprehended high-value target. With the clock ticking and time of the essence, he makes an overture to an old friend. Will his request be heard in time to mount an adequate response to the perceived threat? Will the walls hold against the multitude of walking dead drawn to the hustle and bustle of New District, Colorado? In the end, will Cade finally be granted the closure necessary to extinguish the fury threatening to burn a hole in his heart? Or will the infamous Mr. Murphy throw a monkey wrench into the operation and succeed in ruining everything they've worked so hard to create? Come along and find out who has what it takes to Survive the Zombie Apocalypse.

Living with the Living Dead Oct 20 2021 When humankind faces what it perceives as a threat to its very existence, a macabre thing happens in art, literature, and culture: corpses begin to stand up and walk around. The dead walked in the fourteenth century, when the Black Death and other catastrophes roiled Europe. They walked in images from World War I, when a generation died horribly in the trenches. They walked in art inspired by the Holocaust and by the atomic attacks on Japan. Now, in the early twenty-first century, the dead walk in stories of the zombie apocalypse, some of the most ubiquitous narratives of post-9/11 Western culture. Zombies appear in popular movies and television shows, comics and graphic novels, fiction, games, art, and in material culture including pinball machines, zombie runs, and lottery tickets. The zombie apocalypse, Greg Garrett shows us, has become an archetypal narrative for the contemporary world, in part because zombies can stand in for any of a variety of global threats, from terrorism to Ebola, from economic uncertainty to ecological destruction. But this zombie narrative also brings us emotional and spiritual comfort. These apocalyptic stories, in which the world has been turned upside down and protagonists face the prospect of an imminent and grisly death, can also offer us wisdom about living in a community, present us with real-world ethical solutions, and invite us into conversation about the value and costs of survival. We may indeed be living with the living dead these days, but through the stories we consume and the games we play, we are paradoxically learning what it means to be fully alive.

Blindsided by the Walking Dead Dec 22 2021 There are 34 brief but meaty chapters ... the last six will really sate the hunger of diehard "Walking Dead" fans. ~ Mekeisha Madden Toby, MSN Reviews On the streets of Atlanta, the fight to survive is a daily battle. From the drug-infested corners of one of the city's worst housing projects, to alleyways filled with ravenous zombies-- *Blindsided by the Walking Dead* examines one man's battle to overcome the violence, drugs, and crime of the 'hood; starting with a young IronE Singleton determined to succeed despite an abusive mother, an absent father, and the temptations of instant gratification inherent with the thug life. Football and Faith in God become IronE's allies in his quest to escape and help him reach for the lights of the University of Georgia's football field and theater stages. After years of struggle--failed businesses, small roles, and an ill-fated trip to Los Angeles--IronE snags his major breakthrough role, playing the kind of drug-dealing, gun-toting thug he would have become on the streets, in *The Blind Side*. When he is cast as T-Dog on AMC's international mega-hit "The Walking Dead", IronE examines through art what humanity is about and what it means to truly survive against all odds. Alongside cast mates Michael Rooker, Norman Reedus, Jeffrey DeMunn, and Andrew Lincoln, IronE fought, gagged, and sweat his way into the hearts and minds of millions around the world.

Water—which Kirkus Reviews called “a sexy, romantic, gangster-tinged page-turner”—returns with a new novel packed with romance, plot twists, and psychological suspense. Ivy Lee, a talented tattoo artist who spent the early part of her twenties on the move, is looking for a place to call home. She thinks she might have finally found it working in her uncle’s tattoo shop in San Francisco. But all that changes when a robbery turns deadly, compelling her to pack up her things yet again. When they need the best, they call him. That’s why Sebastian Riker is back in California, cleaning up the mess made after a tattoo shop owner who resorted to blackmail and got himself shot. But it’s impossible to get the answers he needs from a dead body, leaving him to look elsewhere. Namely, to the twenty-something-year-old niece who believes this was a random attack. Who needs to keep believing that until Sebastian finds what he’s searching for. Ivy has one foot out of San Francisco when a chance encounter with a stranger stalls her departure. She’s always been drawn to intense men, so it’s no wonder that she now finds a reason to stay after all, quickly intoxicated by his dark smile, his intimidating strength, and his quiet control. That is, until Ivy discovers that their encounter was no accident—and that their attraction could be her undoing.

Apocalypse of the Dead Nov 20 2021 And The Dead Shall Rise. . . Two hellish years. That's how long it's been since the hurricanes flooded the Gulf Coast, and the dead rose up from the ruins. The cities were quarantined; the infected, contained. Any unlucky survivors were left to fend for themselves. A feast for the dead. And The Living Shall Gather. . . One boatload of refugees manages to make it out alive--but one passenger carries the virus. Within weeks, the zombie epidemic spreads across the globe. Now, retired U.S. Marshal Ed Moore must lead a group of strangers to safety, searching for sanctuary from the dead. A last chance for the living. Let The Battle Begin. In the North Dakota Grasslands, bands of survivors converge upon a single outpost. Run by a self-appointed preacher of fierce conviction--and frightening beliefs--it may be humanity's only hope. But Ed Moore and the others refuse to enter a suicide pact. They'd rather stand and fight in the final battle against the zombies. An apocalypse of the dead. Into the Wild Feb 09 2021 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
